Children of the Fifth World P. M. H. Atwater,2012-10-24 Our species is evolving in preparation for the new world on the horizon Explains how the increase in intuitive creative and abstract thinking abilities of children as well as incidences of ADHD dyslexia and autism signal evolutionary changes at work in humanity the emergence of the Fifth Root Race Connects the appearance of these traits with ancient myths and evolutionary calendars as well as predictions by Teilhard de Chardin Edgar Cayce and other visionary seers Reveals how these new kids act as agents for

world change by reflecting back every misguided aspect of business politics religion and culture The past 30 years have seen a quantum leap in the intuitive creative and abstract thinking abilities of children as well as an unprecedented rise in incidences of ADHD dyslexia and autism spectrum disorders As P M H Atwater explains we are witnessing evolution at work The changes in consciousness and brain function evident in these new kids signal the widespread emergence of the Fifth Root Race and fortuitously coincide with our transition into the Fifth World Providing a resource for parents and new kids themselves Atwater explains what is happening to our species and our world from neurological changes and climate upheavals to the drive to be constantly connected through screen based technology and the unnecessary widespread use of drug therapies Sharing individual case histories underscoring the traits of the new child personality she reveals how these children born with universal consciousness encoded in their DNA act as agents for world change by reflecting back every misguided aspect of business politics religion entertainment technology and culture so we can't ignore what needs to be repaired Atwater shows how children labeled as autistic or otherwise damaged have enormous potential for greatness Connecting recent events and cultural shifts with creation myths evolutionary calendars and historical records from every culture as well as predictions by Teilhard de Chardin Sri Aurobindo Edgar Cayce and other visionary seers Atwater shows how the genetic shift now occurring follows the Rule of Thirds in its progression Exploring timelines for the next several hundred years she explains that the coming new world will be tailored specifically for the new kids who will lead the way in the Great Shift from old world to new

People Who Don't Know They're Dead Gary Leon Hill, 2025-09-12 In *People Who Don't Know They're Dead* Gary Leon Hill tells a family story of how his Uncle Wally and Aunt Ruth Wally's sister came to counsel dead spirits who took up residence in bodies that didn't belong to them And in the telling Hill elucidates much of what we know or think we know about life death consciousness and the meaning of the universe When people die by accident in violence or maybe they're drunk stoned or angry they get freeze framed Even if they die naturally but have no clue what to expect they might not notice they're dead It's frustrating to see and not be seen It's frustrating not to know what you're supposed to do next It's especially frustrating to be in someone else's body and think it's your own That's if you're dead If you're alive and that spirit has attached itself to you well that's a whole other set of frustrations Wally Johnston a behavioral psychologist first started working with a medium in the 70s to help spirits move on to the next stage Some years after that Ruth Johnston an academic psychiatric nurse who'd become interested in new consciousness and alternative healing began working with Wally to clear spirits who weren't moving on These hitchhikers had attached themselves to the auras of living relatives or strangers in an attempt to hold on to a physical existence they no longer need Through her pendulum Ruth obtains permission from the higher self of both hitchhiker and host to work with them Then Wally speaks with them gently but firmly to make sure they know they are no longer welcome to inhabit the bodies and wreak havoc on the lives of the living Hill has woven this fascinating story with the history and theory of what happens at death with particular emphasis on

the last 40 years and the work of such groundbreaking thinkers as Elmer Green Raymond Moody William James Aldous Huxley Edith Fiore Martha Rogers Mark Macy Elisabeth Kubler Ross Bruce Lipton and a host of others whose work helps inform our idea of what it is to live and to die As it turns out our best defense against hitchhikers is to live consciously And our best chance of doing that is by paying attention and staying open to possibilities **The Leviathan Factor** Lawrence E. Burkholder,2017-01-12 The Leviathan Factor tells the incredible story of how Satan created as Lucifer the morning star self transformed into Leviathan God s serpentine arch foe When he tried to achieve immortality by tweaking creation s lowest level laws a sophisticated computer automaton he created death instead As the serpent he reappeared in the Genesis tree of good and evil where he seduced humans to attempt immortality apart from covenant with God Leviathan is responsible for the false belief that we each have an inner divine spark which when reconnected to our ego awakens our true inherent divinity Unfortunately he and his demonic spirits also impact our minds bodies and environment as psi A few of the many markers of these demonic psi are levitation telepathy telekinesis deja vu emotional oppressions poltergeist activities past lives memories voices and visions near death and out of body experiences and trance channeling Many of these psi phenomena are co factors in mind disorders such as schizophrenia or epilepsy Manifestations in Christian circles include false tongues and holy laughter The Leviathan Factor is not a healing how to It is the first book to place demonic evil into the context of creation s basic structures and laws [Illuminating the Narrow Gate](#) Karl R. Luther,2022-01-17 Do you desire the truth about God our foremost religions the purpose of life and the future of our planet If so Illuminating the Narrow Gate will guide and empower you to fulfill your destiny of transcending the darkness and embracing an enlightened spirituality Blessed with astonishing insights and revelations this revolutionary book heralds a global awakening and the inevitable doom of institutional religion Volume II contains 15 appendixes that substantiate and enhance the revelations of Volume I Appendixes A Reincarnation and B Spirit Possession present scientific and clinical evidence that demonstrates the reality of those phenomena The next three appendixes are primarily dedicated to dating the Book of Daniel Leveraging the breakthrough of Illuminating the Narrow Gate s paradigm shift Appendix D Redirecting the Debate About Daniel decimates the prevailing scholarly conclusion that Daniel s prophecies were a hoax written in the 2nd century BCE Instead this book within a book proves they were penned as advertised in the 6th century BCE while debunking the fundamentalist view that the biblical book is inerrant The next six appendixes primarily present ancient history that demonstrates the fulfillment of prophetic passages from Daniel Four of them Appendix F The Beast With Ten Horns Appendix G Constantine the Great Appendix J The King of the End Times and Appendix K Understanding the 69 Sevens deliver the spine tingling details of how the future was foretold with stunning accuracy and precision for five centuries after the date when all scholars agree Daniel was on the historical record 160s BCE Appendix L The Catholic Church in the 20th Century shows that although the Church no longer champions crusades sequesters Jews in ghettos or tortures and kills those who believe differently its underlying darkness has

continued unabated The majority of this other book within a book details how the Vatican helped Benito Mussolini and Adolf Hitler gain dictatorial power and then made strategic alliances with them ignored their pre war crimes and assaults upon the Jews sanctioned their predatory aggression upon other nations and turned a blind eye to the Holocaust After illuminating the essence of the papal choices before and during World War II the appendix exposes the criminal nature of the Vatican s subsequent financial affairs It shows how the sudden death of Pope John Paul I in 1978 was most likely a blackmail enabled murder by the Vatican Bank s underworld partners After two short appendixes explain passages from Revelation the book concludes with Appendix O The Impact on Islam It shows how the book s insights are also inscribing the writing on the wall for Islam You don t need to purchase Volume II if you only want the book s core insights and revelations A PDF document of the end matter published in Volume II Endnotes Bibliography Index et al can be downloaded for free from the book s website to make Volume I a self standing book

The Power of the Healing Field Peter Mark Adams,2021-11-23 Illustrates the role of transpersonal fields of consciousness in healing a range of issues from inherited family and ancestral problems to past lives and womb trauma to near death experiences merged identities and spirit attachment Shares remarkable cases of healing and personal transformation from the author s more than 20 years of energy healing work as well as experiences from other gifted healers psychics and shamans Provides diagrams of the human energy body the spectrum of states of awareness the multilayered fields of consciousness and the psycho energetic dynamics of the transformation process Sharing remarkable cases of healing and personal transformation from his and his wife s more than 20 years of intensive professional energy healing work as well as experiences from other gifted healers psychics and shamans Peter Mark Adams illustrates the role of transpersonal fields of consciousness in heal ing a range of issues from inherited family and ancestral problems to past lives and womb trauma to near death experiences merged identities and spirit attachment Drawing on esoteric tradition as well as scientific research such as Rupert Sheldrake s morphic field studies the author maps out the human energy field in all its subtleties providing diagrams of the human energy body the spectrum of states of awareness the multilayered fields of consciousness and the psychoenergetic dynamics of the transformation process

Through compelling testimonials of powerful healings Adams demonstrates how the processes of healing and of peak spiritual experience are closely aligned with harmony within the larger energetic field of consciousness. Proposing a new model of consciousness reality and energy healing that incorporates the anomalous phenomena that occurs on the outermost edges of human experience, the author draws these many strands together to outline not only a multilayered approach for different kinds of energy healing modalities such as Reiki, breathwork, EFT and remote healing, but also a useful program of self help that anyone can follow to make lasting improvements to their physical, emotional and spiritual health. The Map of the Psyche Timothy R. Nuske, 2013-10. A question that sometimes drives me crazy: am I or are the others crazy? Albert Einstein. For more than half his life, author Tim Nuske thought he was crazy. During a certain ten-year period and beyond, he could have fulfilled the diagnostic criteria for at least half of the close to 400 mental disorders described in psychiatry's billing bible, the DSM. Building on these experiences, Nuske presents a thought-provoking theory of the mind and how it relates to mental illness, a widespread social concern affecting countless millions. But are such experiences a real biological illness or brain disease? Are they caused by a chemical imbalance or genetic defect? And what does the mind have to do with a mental illness disorder/disease? Following a life-changing experience and spiritual awakening, Tim entered university to study psychology, intent on gaining a better understanding of his own madness and the mind and to help others with what he had learned. The Map of the Psyche: The Truth of Mental Illness is the result of four years of research and over a decade of personal experience with mental illness. He had to be mental to map the mind. Psychologists and philosophers have been trying to understand the mind for hundreds of years. Tim mapped it in under three plus a lifetime of prior experience. Offering an alternative to psychiatric labelling and drugging, he shares what he considers to be a more accurate and effective approach to mental health care. The truth is in the psyche. The truth is found within.

Clearings Maureen Smith, 2014-07-07. What if you were told a discarnate entity is siphoning energy from you or that an extraterrestrial has taken up residence in your energy field or that the anger and despair isn't coming from you but from a dark being milking your emotions to feed its network or that you are missing a piece of your heart? Would you believe it? A surprising number of people have become hosts for unseen beings that burrow into their energy body. Embedded in levels

of awareness that are too deep to notice these intruders drain energy create interference and confusion disrupt lives Many are lost souls some are entities with harmful intent Maureen Smith master hypnotherapist and gifted healer shares fifteen years of experiences with lost souls and the humans they occupy shines light on the hidden causes for what is not right in people s lives offers an avenue to reclaim what has been lost heal hearts and unburden spirits Come peel back the thin layer that separates what we know for sure and the wider world of spirit and you may do more than enjoy the ride you may encounter a new way to heal

Past Life Awakening Mark Beale,2025-05-27 Past Life Awakening contains seven in depth case studies of real spiritual regressions that cover hypnotherapy past life regression between lives regression and spirit releasement therapy including earthbound spirits dark entities and ETs These cases illustrate how spiritual therapy is done from the initial context of the issues to the enlightening stories that clients discover in hypnosis about the root causes in past lives in other dimensions and with entities The seven spiritual laws reveal how to get effective therapeutic resolutions and the ultimate messages from the sessions so that they help both healers improve their practices and people along the path of spiritual awakening

The Rite Matt Baglio,2010-06-15 The inspiration for the film starring Anthony Hopkins journalist Matt Baglio uses the astonishing story of one American priest s training as an exorcist to reveal that the phenomena of possession demons the Devil and exorcism are not merely a remnant of the archaic past but remain a fearsome power in many people s lives even today Father Gary Thomas was working as a parish priest in California when he was asked by his bishop to travel to Rome for training in the rite of exorcism Though initially surprised and slightly reluctant he accepted this call and enrolled in a new exorcism course at a Vatican affiliated university which taught him among other things how to distinguish between a genuine possession and mental illness Eventually he would go on to participate in more than eighty exorcisms as an apprentice to a veteran Italian exorcist His experiences profoundly changed the way he viewed the spiritual world and as he moved from rational skeptic to practicing exorcist he came to understand the battle between good and evil in a whole new light Journalist Matt Baglio had full access to Father Gary over the course of his training and much of what he learned defies explanation The Rite provides fascinating vignettes from the lives of exorcists and people possessed by demons including firsthand accounts of exorcists at work casting out demons culminating in Father Gary s own confrontations with the Devil Baglio also traces the history of exorcism revealing its rites and rituals explaining what the Catholic Church really teaches about demonic possession and delving into such related topics as the hierarchy of angels and demons satanic cults black masses curses and the various theories used by modern scientists and anthropologists who seek to quantify such phenomena Written with an investigative eye that will captivate both skeptics and believers alike The Rite shows that the truth about demonic possession is not only stranger than fiction but also far more chilling

The Healthy Living Space Richard Leviton,2001-08-01 Science shows that nearly every corner of our planet is toxic and that all people carry residues of dozens of chemicals in their cells Our body our home and our world are steadily sickening us every day of

our lives But we don't have to live in a poisoned world and we don't have to be sick We can have a healthy living space again by detoxifying our body and home ridding both of their burden The key is to cleanse both at the same time The Healthy Living Space is the first book that shows you how and why to detoxify your home and body together In The Healthy Living Space health writer and alternative medicine journalist Richard Leviton gives 70 practical steps on how to use safe proven nontoxic self care methods drawn from the fields of natural and alternative medicine The detoxifying steps are backed by science and easy to use they don't require expensive equipment or a doctor's supervision They're effective and produce results and you can start them today Whether the poisons are in your liver and intestines or in your carpets and drinking water whether the problem is the shape of your bedroom or radon seeping into your basement The Healthy Living Space will show you how to get the poisons out of your life and the health back into it **Through the Portals of Time** Patricia A. Nelson, 2016-04-07 To those who seek the light that is presented to you is to awaken the light within you There are a variety of teachings touched upon that have come from Spirit covering many ages of time Have you ever wondered how many days it really took for the Creator of all to form the Earth and the universe and did this divine being have assistants If so who were they For what reason were we created and where do we go from here What about the Invisible worlds you can read about the hereafter where loved ones reside and how you are building your home on the other side while residing in the physical Learn many profound truths those aha moments There are plenty There is a different insight into the biblical creation The Bible has been and is a help and guide to many Rumi a thirteenth century Persian poet says it best on what the authors have written Love is the religion and the Universe is the book Love for all humanity through forgiveness along with universal laws universal truths and how the stars correlate to our very being *Confessions of a Regressionist* Barbara H. Pomar, 2012-05-17 For the past thirty five years Dr Barbara Pomar has guided her clients on journeys into their past lives Confessions of a Regressionist presents both her personal account of her work with clients working to reverse past decisions to change the present and future and the theories behind the practice For some the very existence of past lives let alone the ability to reconnect with them is a point of spirited debate Even so Dr Pomar has helped many to come to their own conclusions about the validity of this technique Now she guides readers on using her techniques to live more fully or mold their destinies She also discusses theories on why and how past life regression is possible If you've ever struggled with how the possibility of past life regression fits within your faith Dr Pomar offers advice on how to evaluate your conflict If you are a regressionist Dr Pomar's work can help you realize that by helping your client you also help past and future generations as well If you've ever considered meeting with a regressionist Dr Pomar explains how this sort of experience can help you live more fully in the present with joy confidence and prosperity by releasing or neutralizing memories of harmful events
