China, Taiwan, and International Sporting Events Marcus P. Chu, 2022-07-07 Chu explores the politics behind Taiwanese cities pursuit of international sporting events and the Chinese authorities strategic measures in handling the relations with Taiwan since the 1990s It is assumed that the Chinese authorities constantly oppose Taiwanese cities application for and boycott their subsequent holding of international sporting events Doing so would obstruct Taiwan s capacity to raise its visibility and influence in world society and defend the One China principle In fact the role of China in Taiwan s pursuit of international sporting events is not invariably as a fatal obstructer but sometimes a neutral bystander or even an enthusiastic supporter Chu examines the reasons behind this phenomenon Reviewing the 18 Taiwanese bidding attempts and four hosting projects he argues that China s inconsistent response is determined by the ups and downs of Cross Strait political ties As a result this book provides insight into the nexus between sports and politics in the context of China Taiwan rivalry A must read for scholars students and other watchers of Cross Strait relations

Political Expression in Sport Cem Abanazir, 2022-11-14 This powerful new book looks at how private institutions governing and organising sport restrict political expression Uniquely it makes a case for the freedom of expression for athletes spectators and audiences built upon philosophical foundations In the era of Colin Kaepernick and taking a knee politics and protest in sport have never been more visible and immediate Drawing on a wide range of international cases including protest actions from athletes such as Tommie Smith and John Carlos Naomi Osaka and Feyisa Lilesa as well as the reactions from sport organisations including the IOC FIFA UEFA and the NFL the book argues that the organisation of sport at the hands of associations and leagues and

their transnational power to regulate adjudicate and enforce matters according to their interests lead to the restriction of freedom of expression Focusing on the individual the book presents a framework for the defence of freedom of expression in sport on moral grounds and also explores the limits to freedom of expression especially those arising from hate speech that might better serve both the individual and sport as an institution This book is fascinating reading for anybody with an interest in the ethics philosophy or politics of sport sport governance the relationship between sport and wider society or moral or political philosophy

Football Eva Lavric, 2008 **Mega-event Cities: Urban Legacies of Global Sports Events** Valerie Viehoff, Gavin Poynter, 2016-03-02 Mega events represent an important moment in the life of a city providing a useful lens through which we may analyse their cultural social political and economic development In the wake of the International Olympic Committee's IOC's concerns about gigantism and wider public concerns about rising costs it was imperative in the C21st to demonstrate the long term benefits that arose for the city and nations from hosting premier sporting events London 2012 was the first to integrate the concept of legacy from the moment a bid to host the Olympic and Paralympic Games was being considered London proposed an ambitious programme of urban renewal for East London Subsequent host city bids have adopted the legacy narrative and as this book demonstrates aligned this to major schemes of urban development and renewal Bringing together scholars practitioners and policy makers this book focuses upon the legacies sought by cities that host major sports events It analyses how governments the IOC and others define and measure legacy It also focuses upon the challenges and opportunities facing future host cities of mega events looking at their aspirations and the intended impact upon their

domestic and international development It questions what the global shift in geographical location of mega events means for sports development and the business of sport what the attractions are for cities seeking to harness the hosting of a mega event and whether there may be longer term consequences for the bidding and hosting major sporting events in the wake of the widespread social unrest that accompanied the preparations in Brazil for hosting the FIFA World Cup 2014 and the summer Olympics 2016 and in Turkey where there was significant opposition to bid for the 2020 summer Olympiad
