

**Speech and Award Presentation
Sports Safety Clinic of Safe Kids East Side, Washington State
August, 27, 2013**

Thank you so much for inviting me to join you tonight. What a privilege to be speaking about sports safety alongside the real pioneers of the concussion safety movement.

Since Washington passed the first Return to Play law in 2009, 48 states have followed your lead and passed similar legislation. I don't believe there's ever been a tsunami of legislation in our nation's history, and maybe in the democratic world. It felt like the Lystedt legislation spread across the country faster than Marshawn Lynch can finish a bag of skittles.

And, folks, that's all I know about the Seattle Seahawks. Except that they beat Green Bay the other night. And who could've missed that.

But I know the change you have made through this legislation, and there are many people who deserve our thanks, but surely on the top of the list is Richard Adler. Thank you for your work.

Responding to your leadership, Safe Kids has taken a strong role in the area of sports safety, supported by our founding sponsor Johnson & Johnson. I want to talk tonight about what what's now and what's next.

This month Safe Kids Worldwide released our most recent Sports Safety research report, and it could be said that the title of the report was named after you all: it's called "Game Changers".

We found that each year, 1.35 million children are seen in emergency rooms for sports-related injuries.

That's one child every 25 seconds.

And that's a scary number. It tells us at Safe Kids that we have to do more to prevent sports injuries, much more.

All of the Lystedt laws are different in some ways: and the next phase of public policy involves several measures, some of which have been adopted by some jurisdictions, some not.

--The focus needs to be on all sports, not just football.

--It has to focus on boys and girls.

--We have to deal with the whole roster of injuries that send kids to ERs, ACLs, Tommy John arm injuries, the implications of overuse and hydration, and sudden cardiac arrest. Our

Sports Banquet Speeches

Bruce Kidd

Sports Banquet Speeches:

Can You Say a Few Words?, Second Revised Edition Joan Detz, 2006-03-21 Discusses how to prepare and give brief speeches for awards presentations dedications retirements memorials weddings and other special occasions explains how to overcome nervousness and includes advice on style and delivery *Average Joe to Speaking Pro* Bill Haubrich, Chris Peters, 2012-08-18 Weddings Banquets Celebrations Workshops Funerals Chances are you will be called to speak in public *Average Joe to Speaking Pro* supplies the tools to make you a more relaxed effective and commanding public speaker You will find yourself keeping this book handy and dipping into it when you are preparing your next presentation **Baseball's Even Greater Insults:** Kevin Nelson, 2011-01-11 A grand slam of a book The sequel to the bestselling Baseball's Greatest Insults with hilarious put downs and outrageous wisecracks about America's national pastime There are no lyrical passages here no fond reminiscences about childhood games no tributes to inspiring players Too much real stuff has happened since Kevin Nelson collected Baseball's Greatest Insults in 1984 This hilarious all star review reveals how the players managers umpires owners and the sports media really feel about one another *Persuasive Presentations* K. Stevenson, 2012 **Oh, That Four-Letter Word** Larry Sloan, 2016-01-22 This four letter word is not good and is bad to say So don't ever use it starting today The word is used over and over by adults and children alike It hinders you in your everyday life and classroom experiences By far it may be one of the most over used and worst words in the English language I got so tired of hearing this word not only in my classroom but on the basketball court and football field How can you succeed if you use this word as a crutch I had to ban the four letter word timeouts and lost recesses for students and laps for athletes So read the book and remember to say I won't say that word each and every day *The Personal Touch* Terrie Williams, Joe Cooney, 2008-12-14 Terrie Williams president of the renowned public relations agency that bears her name tells her extraordinary story and shares simple and inspiring strategies anyone can use to achieve their goals and dreams **Don't Get Me Started** Kate Clinton, 2012-04-02 Kate Clinton's first book of irreverent humor Let's get one thing straight I'm not I'm out and proud My closet was huge complete with a foyer turnstile a few dead bolts and a burglar alarm It wasn't until I had lived and slept with a woman for a year that it occurred to me to ask Do you think we're lesbians **The Combat Soldier** Anthony King, 2013-02-21 How do small groups of combat soldiers maintain their cohesion under fire This question has long intrigued social scientists military historians and philosophers Based on extensive research and drawing on graphic analysis of close quarter combat from the Somme to Sangin the book puts forward a novel and challenging answer to this question Against the common presumption of the virtues of the citizen soldier this book claims that in fact the infantry platoon of the mass twentieth century army typically performed poorly and demonstrated low levels of cohesion in combat With inadequate time and resources to train their troops for the industrial battlefield citizen armies typically relied on appeals to masculinity nationalism and ethnicity to unite their troops and to encourage them to fight By contrast cohesion among today's

professional soldiers is generated and sustained quite differently While concepts of masculinity and patriotism are not wholly irrelevant the combat performance of professional soldiers is based primarily on drills which are inculcated through intense training regimes Consequently the infantry platoon has become a highly skilled team capable of collective virtuosity in combat The increasing importance of training competence and drills to the professional infantry soldier has not only changed the character of cohesion in the twenty first century platoon but it has also allowed for a wider social membership of this group Soldiers are no longer included or excluded into the platoon on the basis of their skin colour ethnicity social background sexuality or even sex women are increasingly being included in the infantry but their professional competence alone can they do the job In this way the book traces a profound transformation in the western way of warfare to shed light on wider processes of transformation in civilian society This book is a project of the Oxford Programme on the Changing Character of War *Endnotes: The Final Journal* Frank Robert Vivalo, 2011-05-30 Commentary of various lengths on a variety of topics including religion social practices language having babies keeping pets suicide education art and philosophy most of which is irreverent or iconoclastic yet instructive The Struggle for Canadian Sport Bruce Kidd, 2017-06-22 Canadian sports were turned on their head during the years between the world wars The middle class amateur men's organizations which dominated Canadian sports since the mid nineteenth century steadily lost ground swamped by the rise of consumer culture and badly battered and split by the depression In *The Struggle for Canadian Sport* Bruce Kidd illuminates the complex and fractious process that produced the familiar contours of Canadian sport today the hegemony of continental cartels like the NHL the enormous ideological power of the media the shadowed participation of women in sports and the strong nationalism of the amateur Olympic sports bodies Kidd focuses on four major Canadian organizations of the interwar period the Amateur Athletic Union the Women's Amateur Athletic Federation the Workers Sport Association and the National Hockey League Each of these organizations became focal points of debate and political activity and they often struggled with each other Each had a radically different agenda the AAU sought the making of men and the strengthening of English Canadian nationalism the WAAF promoted the health and well being of sportswomen the WSA was a vehicle for socialism and the NHL was concerned with lucrative spectacles These national organizations stimulated and steered many of the resources available for sport and contributed significantly to the expansion of opportunities They enjoyed far more power than other Canadian cultural organizations of the period and they attempted to manipulate both the direction and philosophy of Canadian athletics Through their control of the rules and prestigious events and their countless interventions in the mass media they shaped the dominant practices and coined the very language with which Canadians discussed what sports should mean The success and outcome of each group as well as their confrontations with one another were crucial in shaping modern Canadian sports *The Struggle for Canadian Sport* adds to our understanding of the material and social conditions under which people created and elaborated sports and the contested ideological terrain on which sports were played and

interpreted **Make a Great Speech: Teach Yourself** Jackie Arnold, 2010-10-29 Written by a professional toastmaster keynote speaker and voice coach this book gives you all you need to make an effective speech on any occasion From weddings and christenings to fundraising events and after dinner speeches it offers suitable material for any occasion with practical techniques and strategies for everything from using props to conquering stage fright and banishing your butterflies forever Teach Yourself the world's leading learning brand is relaunched in 2010 as a multi platform experience that will keep you motivated to achieve your goals Let our expert author guide you through this brand new edition with personal insights tips energising self tests and summaries throughout the book Go online at www.teachyourself.com for tests extension articles and a vibrant community of like minded learners And if you don't have much time don't worry every book gives you 15 and 10 minute bites of learning to get you started Gives you a comprehensive source of advice material and techniques for wedding speeches Offers hints on how to speak effectively and conquer your butterflies Features practical guides to making the most of props and technology

Frontline Bodies Nicolas Martin-Breteau, 2024-04-16 A captivating exploration of Black American civil rights activism through the lens of sport In *Frontline Bodies* Nicolas Martin Breteau argues that sports are not and have never been purely about entertainment for Black Americans Instead beginning in the 1890s during Reconstruction Black Americans proactively used athletics as a tactic to fight racial oppression Since the body was the primary target of anti Black racial oppression African Americans turned sports into a key medium in their struggles for dignity equality and justice Although Black photography and art also aimed at displaying the dignity of the Black body sports arguably had the greatest impact on American and international public opinion Martin Breteau considers the work of Edwin B Henderson a prominent Black physical educator civil rights activist and historian of Black sports Training Black children as athletes Henderson felt would work both to fortify racial pride and to dismantle racial prejudices two necessary requirements for a successful political liberation struggle In this way physical education became political education By the end of World War II the tactic of racial uplift through sports had reached its peak of popularity only to subsequently lose its appeal among younger activists many of whom believed that the strategy was ineffective in fighting institutional racism and served mainly as an emulation of middle class white norms By the end of the twentieth century Martin Breteau argues racial uplift through sports had lost its emancipating power The emphasis on the accumulation of wealth for professional athletes as well as sports ability to reinforce anti Black stereotypes had become a political problem for true collective liberation For a marginalized group of people that has been physically excluded from the democratic process however sports remain a political resource By studying the relationship between athletics and politics *Frontline Bodies* renews the history of minority bodies and their power of action

The Power of Speech II' 2003 Ed. , **Mediated Political Realities** Dan D. Nimmo, James E. Combs, 1990 This argues that most people learn about politics from information imparted by mass media and that our opinions are shaped by the sources of that information The authors also contend that political reality is transformed or mediated into fantasy and

reality disappears *Thesaurus of ERIC Descriptors* ,1977 **The Express** Robert C. Gallagher,2008-09-02 He could do it all beat every opponent except one plaque honoring Ernie Davis in the lobby of Elmira Free Academy Ernie Davis was an All American on the gridiron and a man of integrity off the field A multi sport high school star in Elmira New York Davis went on to Syracuse University where as a sophomore he led his team to an undefeated season and a national championship in 1959 and earned his nickname the Elmira Express Two seasons later Davis had broken the legendary Jim Brown s rushing records and became the first black athlete to be awarded the Heisman Trophy The number one pick in the 1962 NFL draft Davis signed a contract with the Cleveland Browns and appeared to be headed for professional stardom But Davis never ended up playing in the NFL He was diagnosed with leukemia during the summer before his rookie season and succumbed to the disease less than a year later In battling his illness Davis showed great dignity and courage inspired the nation and moved President John F Kennedy to eulogize him as an outstanding man of great character An enduring story of a true scholar athlete The Express is a touching impeccably researched deeply personal portrait of Ernie Davis and a vivid look at sport in America at the dawn of the Civil Rights era Well-Spoken Woman Christine K. Jahnke,2011-09-20 With access to her expertise you ll learn strategies that will help you present your best self in forums from PTA meetings to TV studios conferences to classrooms boardrooms to YouTube **Fame to Infamy** David C. Ogden,Joel Nathan Rosen,2011-02-03 Fame to Infamy Race Sport and the Fall from Grace follows the paths of sports figures who were embraced by the general populace but who through a variety of circumstances real or imagined found themselves falling out of favor The contributors focus on the roles played by athletes the media and fans in describing how once esteemed popular figures find themselves scorned by the same public that at one time viewed them as heroic laudable or otherwise respectable The book examines a wide range of sports and eras and includes essays on Barry Bonds Kirby Puckett Mike Tyson Mark McGwire and Sammy Sosa Branch Rickey Joe Louis and Max Schmeling Michael Jordan Wilt Chamberlain and Jim Brown as well as an afterword by noted scholar Jack Lule and an introduction by the editors Fame to Infamy is an interdisciplinary volume encompassing numerous approaches in tracing the evolution of each subject s reputation and shifting public image Television and National Sport Joan Mary Chandler,1988 Not Just Victims contains twelve oral histories based on conversations with Cambodian community leaders in eight American cities with sizable Cambodian ethnic communities Unlike the dozens of autobiographies published by Cambodians that focus largely on their victimization and experiences during the Khmer Rouge regime before fleeing Cambodia these narratives describe how Cambodian refugees have adapted to life in the United States Providing insiders views of the issues and challenges the group is encountering Not Just Victims focuses on communities in Long Beach Philadelphia Washington D C Seattle Portland Tacoma and the Massachusetts towns of Fall River and Lowell Sucheng Chan s extensive introduction provides a historical framework within which the stories of the refugees can be better understood She discusses the civil war that brought death to half a million people 1970 75 the bloody Khmer Rouge

revolution 1975-79 the border war during the Vietnamese occupation of Cambodia 1979-89 and the additional travails faced by those who escaped to holding camps in Thailand The book also includes an essay on oral history and a substantial bibliography

South Africa's Democracy at the Crossroads Daniel Silander, Charlotte Silander, Herman van der Elst, Pieter Heydenrych, 2022-04-18 South Africa's democracy faces increasing challenges from within whether from protest bad governance or general public dissatisfaction South Africa's Democracy at the Crossroads explores the question what are the challenges to future democratization in South Africa
