Long Welcome Speech for Sports Day By Principal

Good morning everyone, I am very happy to see everyone blooming in the spirit of the sports day. It is an absolute honor to introduce to you all the Chief guests/guests (mention their names) today, we feel privileged to host you today. I would like to thank you for accepting our invitation and gracing us with your presence. Your achievements in the field of sports are excellent and your contribution to raising the bar for future generations by bringing laurels to our country is truly noteworthy.

Extracurricular activities and sports teach students many important life lessons. It teaches discipline, focus, dedication, hard work, commitment, teamwork. And it is our responsibility as adults to value sportsmanship and award the courage of students to take action rather than focusing on winning or losing.

Sports instill plenty of values that help students to cruise through life with honesty and responsibility for themselves and others. It also allows students to be agile and fit that only increases the concentration in academics and the willingness to perform better in any field.

Sport is an amazing concept that improves the lives of people. Students especially need to take part in sports that they find fun because participating in sports will not only help them to improve their physical health but will also give
