The Secret Gospel of Mark Geoffrey S. Smith, Brent Landau, 2023-01-01 A groundbreaking account of the Secret Gospel of Mark one of the most hotly debated documents in Christian history In 1958 at the ancient Christian monastery of Mar Saba just outside

Jerusalem Columbia University scholar Morton Smith claimed to have unearthed a letter written by the Christian philosopher Clement of Alexandria and containing an excerpt from a previously unknown version of the canonical Gospel of Mark. This excerpt recounts a story of Jesus's apparent sexual encounter with a young resurrected disciple. In recent years, an influential group of researchers has alleged that no Secret Gospel or letter of Clement existed in antiquity and that the manuscript that Morton Smith found was a modern forgery created by none other than Smith himself. In this book, Geoffrey S. Smith and Brent C. Landau enter into the controversy surrounding this document and argue that the Secret Gospel of Mark is neither a first-century alternative gospel nor a twentieth-century forgery by the scholar who announced its discovery. Instead, this account is intimately bound up with the history of Mar Saba, one of the oldest monasteries in the Christian world. In this fascinating work, Smith and Landau present the realities and misconceptions surrounding not only the now lost manuscript but also its brilliant enigmatic and acerbic discoverer, Morton Smith.

What I Didn't Know Lee Gutkind, 2016-09-28 Teachers delve into the most difficult, rewarding, and transformative moments of their careers as they discover that succeeding at teaching is a test not just of training or of subject matter but of resolve, dedication, faith, and character. Whether in a New England prep school or a public school in South Central LA, a preschool in Malawi or a high school in China, the fundamental challenges of becoming a teacher are the same: finding authority, forging an authentic connection with students, and making a space where learning can occur. In these twenty personal narratives, teachers provide us with a fascinating insight into a profession that touches us all.

Fox Joyce Carol Oates, 2025-06-17 NATIONAL BESTSELLER An enthralling Los Angeles Times and remarkably engrossing The New York Times Book Review Editors' Choice novel of literary and psychological suspense about the dark secrets that surface after the shocking disappearance of a charismatic mercurial teacher at an elite boarding school by legendary author Joyce Carol Oates. Eerie, shocking, provoking, and beautifully written. Gillian Flynn: I found it mesmerizing from front to back. Michael Connelly: I can't remember the last time I read something so darkly disconcertingly addictive. Rebecca Makkai: An extraordinary novel unlike any other mystery I've read. Joseph Finder: Tom Ripley eat your heart out. NPR: A classic psychological suspense. People: A dark, daring plunge into literary suspense. Oates dissects the predator-prey dynamic with merciless precision. The Seattle Times: AN ECONOMIST BEST BOOK OF THE YEAR SO FAR. A MOST ANTICIPATED BOOK. The New York Times, The Boston Globe, Seattle Times, Vulture, Esquire, Publishers Weekly, Lit Hub, AV Club, AARP. Who is Francis Fox? A charming English teacher new to the idyllic Langhorne Academy, Fox beguiles many of his students, their parents, and his colleagues at the elite boarding school while leaving others wondering where he came from and why his biography is so enigmatic. When two brothers discover Fox's car half-submerged in a pond in a local nature preserve and parts of an unidentified body strewn about the nearby woods, the entire community, including Detective Horace Zwender and his deputy, begins to ask disturbing questions about Francis Fox and who he might really be. A hypnotic, galloping tale of crime and complicity, revenge and restitution, victim vs. predator, Joyce Carol Oates's Fox illuminates the darkest corners of

the human psyche while asking profound moral questions about justice and the response evil demands. A character as magnetically diabolical as Patricia Highsmith's Tom Ripley and Vladimir Nabokov's Humbert Humbert, Francis Fox enchants and manipulates nearly everyone around him until at last he meets someone he can't outfox. Written in Oates's trademark intimate sweeping style and interweaving multiple points of view, Fox is a triumph of craftsmanship and artistry, a novel as profound as it is propulsive, as moving as it is full of mystery.

Murder at the Majestic Hotel Clara McKenna, 2022-10-25 Against all expectations in Edwardian England newly married American heiress Stella Kendrick and British aristocrat Viscount Lyndy Lyndhurst are bucking traditions and investigating murder on their honeymoon in the latest installment of the Stella Lyndy Mysteries from acclaimed author Clara McKenna. Leaving behind tragedies surrounding their wedding at Morrington Hall, travel-worn Stella and Lyndy arrive at the grand Majestic Hotel in York to more misfortune: their stately honeymoon suite has been given away to Horace Wingrove, owner of England's largest confectionery. Stella refuses to let an innocent booking mistake spoil the mood but her optimism vanishes when Horace suffocates in the room where she and Lyndy should have stayed. Unlike authorities on the scene, Stella can't believe the business magnate's death can be explained away as an accident. Troubling signs are everywhere: strange murmurs in the hallway, tight-lipped hotel staff, and a stolen secret recipe for Wingrove's famous chocolate. Then there are Horace's murky intentions for visiting the historic cathedral city and those who were closely watching his every move. As Stella and Lyndy tour Yorkshire and mingle with royals as husband and wife, they face a sinister mystery that puts their vows to the test. Can the couple work together to discover the truth about their romantic destination and the strange happenings haunting their trip before they're treated to another terrifying surprise?

Chapin's World J. G. Chapin, 2021-08-26 Chapin's World is purely a figment of the author's warped imagination so please don't report him to the authorities because there is nothing that can be done. He was born thinking like this. And it was inevitable that his mind would be unleashed upon an unsuspecting public. Chapin's World subtitled A Mid Amid is a book of life as seen through the green mid-life eyes of a member of a highly exploited as of yet unentitled minority: redheads. It is a collection of humorous short stories of the author's early life, family, camping trip, shenanigans, vacation pranks, and mishaps and how he grew to be mid in America's Heartland. His light-hearted style allows the reader a chance to experience unpleasant circumstances with humor and to tag along as he turns the most simple of situations into full-blown calamities. Chapin's narrative of his childhood reads like a tale by a modern-day Samuel Clemens. The stories progress randomly through his life to include mid with kid. Chapin's World will drag you along with Chapin, his family, and a few less-than-role-model friends into, but not out of, mid-life. The author is determined to find your funny bone even if he has to use a chainsaw. A Mid Amid contains twenty-seven mildly amusing yet wildly outrageous tales by the Master of Personal Disaster. In case you are unaware of Chapin's writing style, he has used the formula of mixing equal half-portions of wit and narrative. Chapin has now become quite distinguished for his half-wit humor. But such is Chapin's World. If you or a loved one is struggling through the mid-life crisis or if you just have the strange urge to help a confessed liar succeed, then Chapin's World A Mid Amid is surely required reading.

The Wager David Grann, 2023-04-18 1 NEW YORK TIMES BESTSELLER From the author of Killers of the Flower Moon, a page-turning story of shipwreck, survival, and savagery, culminating in a court martial that reveals a shocking truth. The powerful narrative reveals the deeper meaning of the events on The Wager, showing that it was not only the captain and crew who ended up on trial, but the very idea of empire. A Best Book of the Year: The New York Times, The Wall Street Journal, The New Yorker, TIME, Smithsonian, NPR, Vulture, Kirkus Reviews. Riveting. Reads like a thriller tackling a multilayered history and imperialism with gusto. Time: A tour de force of narrative nonfiction. The Wall Street Journal: On January 28, 1742, a ramshackle vessel of patched-together wood and cloth washed up on the coast of Brazil. Inside were thirty emaciated men, barely alive, and they had an extraordinary tale to tell. They were survivors of His Majesty's Ship the Wager, a British vessel that had left England in 1740 on a secret mission during an imperial war with Spain. While the Wager had been chasing a Spanish treasure-filled galleon known as the prize of all the oceans, it had wrecked on a desolate island off the coast of Patagonia. The men, after being marooned for months and facing starvation, built the flimsy craft and sailed for more than a hundred days, traversing nearly 3,000 miles of storm-racked seas. They were greeted as heroes. But then, six months later, another, even more decrepit craft landed on the coast of Chile. This boat contained just three castaways, and they told a very different story. The thirty sailors who landed in Brazil were not heroes; they were mutineers. The first group responded with countercharges of their own of a tyrannical and murderous senior officer and his henchmen. It became clear that while stranded on the island, the crew had fallen into anarchy, with warring factions fighting for dominion over the barren

wilderness As accusations of treachery and murder flew the Admiralty convened a court martial to determine who was telling the truth The stakes were life and death for whomever the court found guilty could hang The Wager is a grand tale of human behavior at the extremes told by one of our greatest nonfiction writers Grann s recreation of the hidden world on a British warship rivals the work of Patrick O Brian his portrayal of the castaways desperate straits stands up to the classics of survival writing such as The Endurance and his account of the court martial has the savvy of a Scott Turow thriller As always with Grann s work the incredible twists of the narrative hold the reader spellbound The Oxford English Dictionary ,1989
