

Here are the things you'll be using in your work with the

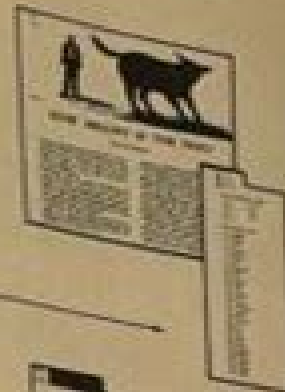

SRA READING LABORATORY®

STUDENT RECORD BOOK

This is the book you now hold in your hands. You will always do ALL your writing in this book.

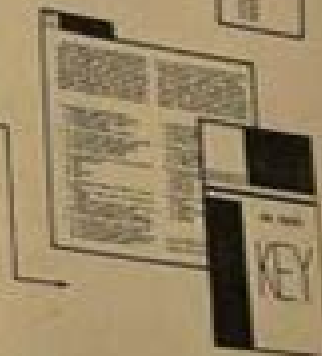

POWER BUILDERS

Each one has a picture and a story. After you have read the story, you will find things to do that will help you build your power to understand what you read. Power Builders will help you learn how to study better, too. You will also have the chance to learn many new words — what they mean, and the chance to pronounce them. The Key Cards will help you correct your own work. A chart will show your daily progress.

KATE BUILDERS

These will help you learn to read faster and to concentrate on what you are reading, so you can understand it better. The Key Booklet will help you correct your work.

LISTENING SKILL BUILDERS

Your teacher will read these to you, and you will listen. You will learn how to improve your ability to listen and to understand what you hear. You can become a better listener, just as you can become a better reader.
