Ranging from bolt action rifles to turkey guns, the book examines some of the most exciting available types of long gun for hunting and target sports. *Sporting Guns* is divided into four chapters that cover the main types of recreational gun: breech loading break open shotguns and rifles, semi automatic and pump shotguns, bolt and manual action rifles, and semi automatic rifles. Within each chapter the guns are arranged alphabetically for ease of reference. Each entry takes an individual gun and explores its key features including its operating system, construction, hunting target use, sighting options, price range, and important variants. The book also offers essential advice on using sporting guns safely, whether on a shooting range or out in the wild. If you are interested in clay shooting, target practice, or outdoor hunting, *Sporting Guns* will help you find the right gun and keep informed of the best on the gun.
