Fairchild's List of Men's Wear Stores, Combined with Fairchild's List of Chain Stores ,1929 *The Winchester*
Laura Trevelyan,2016-09-20 Details the extraordinary life of Oliver Winchester the company and its rapid rise and slow fall as told by a distant family descendant American Gunsmith Arguably the world s most famous firearm the Winchester Repeating Rifle was sought after by a cast of characters ranging from the settlers of the American West to the Ottoman Empire s Army Laura Trevelyan a descendant of the Winchester family offers an engrossing personal history of the colorful New England clan responsible for the creation and manufacture of the Gun that Won the West Trevelyan chronicles the rise and fortunes of a great American arms dynasty from Oliver Winchester s involvement with the Volcanic Arms Company in 1855 through the turbulent decades of the nineteenth and twentieth centuries She explores the evolution of an iconic paradigm changing weapon that has become a part of American culture a longtime favorite of collectors and gun enthusiasts that has been celebrated in fiction glorified in Hollywood and applauded in endorsements from the likes of Annie Oakley Theodore Roosevelt Ernest Hemingway and Native American tribesmen who called it the spirit gun A detailed but accessible look at the life times and commerce of Oliver Winchester Trevelyan s great great great grandfather and his many descendants of both the human and firearms varieties Whether you re a fan of firearms or simply of American history there is much to enjoy and learn in this easy to read and well footnoted volume American Shooting Journal The book is beautifully illustrated with fascinating photos of the Winchester family and with well known historical figures including the Native American leader Geronimo and President Theodore Roosevelt clutching their repeating rifles Times Literary Supplement *The Winchester Run* Ralph Compton,2007-04-01 On a frontier torn by war and renegades they carried a cargo more valuable than gold Miners dug for fortunes Soldiers died on open plains And a few brave men drove the wooden freight wagons into the wild land Now master Western novelist Ralph Compton tells the real story of the tough as leather men who blazed the way into the untamed frontier Once they drove longhorns Now Mac Tunstall and his band of Texans must take a shipment of Winchesters by rail and wagon all the way to the U S Army in Austin But from the moment the wagoneers set out violence and treachery stalk their trail From Dodge to the Brazos half the outlaws on the frontier are aiming to get hold of an arsenal that could blow the West wide open And Mac and his men don t see one danger until it s too late four beautiful headstrong women determined to share a trail of courage and tears all the way to the end Led-Horse Claim Mary Hallock Foote, Captive of the Labyrinth Mary Jo Ignoffo,2010-12-06 The first full length biography of Sarah Winchester the subject of the movie Winchester starring Helen Mirren Since her death in 1922 Sarah Winchester has been perceived as a mysterious haunted figure After inheriting a vast fortune upon the death of her husband in 1881 Sarah purchased a simple farmhouse in San Jos California She began building additions to the house and continued construction on it for the next twenty years A hostile press cast Sarah as the conscience of the Winchester Repeating Arms Company a widow shouldering responsibility for

the many deaths caused by the rifle that brought her riches She was accused of being a ghost obsessed spiritualist and to this day it is largely believed that the extensive construction she executed on her San Jos house was done to appease the ghouls around her But was she really as guilt ridden and superstitious as history remembers her When Winchester s home was purchased after her death it was transformed into a tourist attraction The bizarre sprawling mansion and the enigmatic nature of Winchester s life were exaggerated by the new owners to generate publicity for their business But as the mansion has become more widely known the person of Winchester has receded from reality and she is only remembered for squandering her riches to ward off disturbed spirits Captive of the Labyrinth Sarah L Winchester Heiress to the Rifle Fortune demystifies the life of this unique American In the first full length biography of Winchester author and historian Mary Jo Ignoffo unearths the truth about this notorious eccentric revealing that she was not a maddened spiritualist driven by remorse but an intelligent articulate woman who sought to protect her private life amidst the chaos of her public existence The author takes readers through Winchester s several homes explores her private life and by excerpting from personal correspondence gives the heiress a voice for the first time since her death Ignoffo s research reveals that Winchester s true financial priority was not dissipating her fortune on the mansion in San Jos but investing it for a philanthropic legacy For too long Sarah Winchester has existed as a ghost herself a woman whose existence lies somewhere between the facts of her life and a set of sensationalized recollections of who she may have been Captive of the Labyrinth finally puts to rest the myths about this remarkable woman and in the process uncovers the legacy she intended to leave behind
