LARRY LEVIS

Winter Stars Larry Levis

Larry Levis

Winter Stars Larry Levis:

Winter Stars Larry Levis, 1985-03-31 Since the appearance of his first book in 1972 Larry Levis has been one of the most original and most highly praised of contemporary American poets In *Winter Stars* a book of love poems and elegies Levis engages in a process of relentless self interrogation about his life about losses and acceptances What emerges is not merely autobiography but a biography of the reader a representative life of our time *Winter Stars* Larry Levis, 2026-02-03 Since

the appearance of his first book in 1972 Larry Levis has been one of the most original and most highly praised of contemporary American poets In *Winter Stars* a book of love poems and elegies Levis engages in a process of relentless self interrogation about his life about losses and acceptances What emerges is not merely autobiography but a biography of the reader a representative life of our time **PRISMATICS: LARRY LEVIS & CONTEMPORARY AMERICAN POETRY**

Gregory Donovan, Michele Poulos, 2020-03-04 *Prismatics* Larry Levis he was the star risen out of a constellation of poets coming from Fresno In *Prismatics* many of our most notable poets offer insightful personal and detailed responses to and assessments of Larry's life and work Especially touching and salient are the interviews with Philip Levine Peter Everwine C G Hanzlicek and David St John Fresno poets and friends who knew him best and who knew Larry from the start They testify to his talent humanity and unmatched originality and voice For lovers of Larry's poetry of contemporary poetry this is an invaluable collection Christopher Buckley author of *A Condition of the Spirit* As I read through the interviews in *Prismatics* I found myself pausing in the middle of chapters rather than between them so as to savor the feeling of always being immersed in a rich and rewarding conversation I love the cumulative warmth of this book of so many poets speaking affectionately and thoughtfully about one of the great American poets of the 20th century as friend colleague lover co conspirator and cynosure But more than a commemoration of Larry Levis *Prismatics* offers meditations on passion creativity self destruction ambition and the nature of literary legacy It's a book as capacious and complex as the poetry of Levis itself Nicky Beer author of *The Octopus Game* and *The Diminishing House* **The Selected Levis** Larry Levis, 2013-09-18 Edited and with an Afterword by

David St John When Larry Levis died suddenly in 1996 Philip Levine wrote that he had years earlier recognized Levis as the most gifted and determined young poet I have ever had the good fortune to have in one of my classes His early death is a staggering loss for our poetry but what he left is a major achievement that will enrich our lives Each of his books was published to wide critical acclaim and David St John has collected together the best of his work from his first five books *Wrecking Crew* 1972 *Afterlife* 1976 *The Dollmaker's Ghost* 1981 *Winter Stars* 1985 and *The Widening Spell of the Leaves* 1991 It is not an exaggeration to say that the death of Larry Levis in 1996 of a heart attack at 49 sent a shock wave through the ranks of American poetry Not only was Levis a good friend to many poets not simply of his own generation but of many poets older and younger as well his poetry had become a kind of touchstone for many of us a source of special inspiration and awe With Larry Levis death came the sense that an American original had been lost It is not at all paradoxical that he saw

both the most intimate expressions of poetry and the grandest gestures of art of language as constituting individual acts of courage One can only hope that like such courage Larry Levis's remarkable poems will continue to live far into our literature from the Afterword by David St John **Winter Stars** Larry Levis, 2011 Red Under The Skin Natasha Saje, 2014-03-18 Winner of the 1995 Towson State University Prize for Literature Winner of the 1993 Agnes Lynch Starrett Poetry Prize

Time's Fancy Ronald Wallace, 2014-10-15 Winner of the 1995 Banta Book Prize for a Wisconsin Author Ronald Wallace is best known for his wit and good humor his synthesis of technical skill and strong emotion his sensory immediacy his accessibility and charm Now in *Time's Fancy* his fifth collection Wallace explores the tragic aspects of life more fully fashioning a declarative poetry that is darker and deeper more meditative and complex The Routledge Companion to Working-Class Literature Ben Clarke, 2024-12-05 The Routledge Companion to Working Class Literature provides an overview of the history theory and analysis of working class literature Taking a global and intersectional approach the Companion demonstrates that literature is central to the re interpretation of the working class a process that involves rereading the past as well as mapping the present The collection examines how working class literature is defined and the functions the term serves It maps current debates and traces the ways in which a wide variety of theoretical and political movements have shaped the field Challenging the stereotypical view that working class writing is concerned solely with white male industrial labourers in the Global North the volume features chapters on subjects from early modern writing about the poor in England to contemporary poetry by Asian migrant workers Exploring the theoretical problems of writing about class as well as providing detailed readings of specific texts it demonstrates the richness and diversity of this rapidly developing field and looks to the future of working class literature The Routledge Companion to Working Class Literature is an accessible wide ranging resource It emphasizes difference and debate bringing distinct texts traditions and critical perspectives into dialogue and is essential for any student or researcher looking at concepts of class within literary studies

Learning by Heart Maggie Anderson, David Hassler, 1999 A collection of poems written primarily between 1970 and 1995 by contemporary American poets that recall the experiences of elementary and high school **Holding Patterns** Daniel McGuinness, 2001-03-29 Argues that if poems are to matter in American culture they must be read rather than theorized over **Night Watch on the Chesapeake** Peter Meinke, 2024-02-20 Night Watch on the Chesapeake is Peter Meinke's third collection of poetry The poems traverse a wide landscape of topics from playing baseball the death of a friend divorce and even poetry itself **The Imaginary Lover** Alicia Suskin Ostriker, 2014-11-15 Winner of the 1987 William Carlos Williams Award presented by the Poetry Society of America With *The Imaginary Lover* Alicia Ostriker takes her place among the most striking and original poets whose work is informed by feminist consciousness Her characterization of the best poetry by women in the New York Times Book Review aptly describes this book intimate rather than remote passionate rather than distant defying divisions between emotion and intellect private and public life and art writer and reader To read

her poems is to discover not only more of what it means to be a woman but more of what it means to be human

Wyndmere Carol Muske-Dukes, 2023-09-05 Wyndmere is a town in North Dakota where Carol Muske's mother was born and where she visited as a child Muske's grandparents are buried there and it is where her mother met and married her father Now almost a ghost town Wyndmere is the source of imagery in many of these poems as well as the idea of Wyndmere wind mother both inspiration and principle of separation

Giacometti's Dog Robin Becker, 2024-02-20 Celebratory or elegiac these poems record the author's two-headed journey to root herself geographically and emotionally in the world Becker's poems are from remote and familiar outposts the watery evanescence of Venice contrasts with the desert of the American Southwest we lean with her over the rim of a canyon or stand back to study a Giacometti sculpture From such settings arise poems on the death of a sibling the consoling power of painting and sculpture others celebrate the erotic and the capacity of the female body for pleasure and pain

Green Age Alicia Suskin Ostriker, 2024-02-20 Alicia Suskin Ostriker is that rare combination a writer equally admired as poet and critic The variety of subjects in Green Age is characteristic of her writing from the opening poem Fifty funny courageous and defiant to a set of birthday poems for a grown daughter from emulations of the Persian mystic Rumi to the provocative Meditation in Seven Days whose central assumption is that we may find in the Bible traces of a Canaanite goddess whose worship was forbidden with the advent of patriarchal monotheism But if her subjects may seem formidable her poems are not Ostriker is accessible witty daring and humane and she has become one of the most praised poets of her generation

Six O'Clock Mine Report Irene McKinney, 2014-10-20 The speaker in Irene McKinney's poems is most often alone sitting at the side of a stream or standing at her own chosen gravesite in the Appalachian mountains and the meditations spoken out of this essential solitude are powerfully clear witty and wide ranging in content and tone The center sequence of poems in the Emily Dickinson persona explores and magnifies that great and enigmatic figure The poems are firmly grounded in concern for the ways in which the elemental powers are at work in the earth and in us on the surface of our lives and deeper in the underworld of the coalmines In McKinney's poems the human world is never seen as separate from the natural one

Dreams By No One's Daughter Leslie Ullman, 2016-02-02 Leslie Ullman traces through her speaker one woman's attempt to find herself and then to live that discovered self within an alien wilderness that ranges from the indifferent to the frankly dangerous This volume edges toward the growing certainty to plain chance and lucky or unlucky coincidence Perhaps in response to the uncertain nature of the external world in Dreams by No One's Daughter Ullman's are very much poems of metamorphosis of becoming rather than static being Stephen C Behrendt

Blue Like The Heavens Gary Gildner, 2024-04-30 Aliveness is Gary Gildner's striking quality Crystal McLean writes in the magazine New Letters and this selection of Gary Gildner's previously published poems plus eighteen new poems demonstrates the aptness of that perception Accessible and eminently readable the poems in Blue Like the Heavens also possess great emotional depth Readers who complain about the obscurity of contemporary American poetry will delight in

this book **Cold Comfort** Maggie Anderson, 1986-10-15 Cold Comfort is a book of poems written out of deep affection and concern for the world in a dangerous time An urbane stylist Anderson characteristically focuses on rural and small town America where the events of personal history intersect those of the larger world **Say This of Horses** Charles E. Greer, C.E. Greer, Jenny Kander, 2007-04 Containing more than a hundred poems by seventy four poets of twenty two nationalities Say This of Horses represents the abundance of poems about horses that have been written throughout the ages and around the world Whether probing the ages old connection between horses and humans the immediate physical presence of horses or the metaphysical elements of these magnificent animals this collection celebrates the horse as what Maxine Kumin calls our enduring myth the repository for our love and terror Divided into six sections Say This of Horses considers horses in a multitude of times and places Antiquity explores the forging of the earliest mythical ties between horses and humans Here Now places horses in the present where their physical presence is most acutely felt Essence explores the metaphysical qualities of horses Harnessed contains a selection of poems about horses in war at work and in sport and recreation Mirrors shows them as imaginative symbols Finally Lenses moves into the realm of abstraction and fantasy The selections within this far reaching collection are joyous moving erudite and at times profoundly sad Poems by Henry Wadsworth Longfellow W S Merwin Tess Gallagher Yusef Komunyakaa Pablo Neruda Anne Sexton Wallace Stevens May Sarton Jane Kenyon and James Dickey among many others are sure to delight and surprise readers familiar with or just exploring the rich literature on horses Contributors include Guillaume Apollinaire Gwendolyn Brooks Lawrence Ferlinghetti C E Greer Donald Hall Joy Harjo Imru al Qays Ted Kooser Philip Larkin Ann McCarthy de Zavala Rainer Maria Rilke Patiann Rogers William Carlos Williams

Delve into the emotional tapestry woven by in Experience **Winter Stars Larry Levis** .
