Foley, 2018-01-31 This book is about humanity and the realization that instead of a right to life rather we receive the gift of life Every gift involves a giver and a recipient Who or what is the giver As recipient I can either accept or reject the gift What does that mean Am I a blip in the evolutionary process or am I a creature burdened or blessed with a purpose in life And what does that mean **Balikwas** Chris Payne, 2013 Balikwas is a Tagalog word virtually untranslatable into English It signifies a startling change such as an awakening It can also mean going over to the other side Chris Payne writes about making a change a change of moving his life to the other side of the world when he and wife Loydz emigrated to The Philippines The book is an account of what needed to be done at each end of the project as they came to call it but it also includes amusing asides about life and its quirks It can be read as a simple how to do it guide for anyone contemplating emigration either to The Philippines or elsewhere Or it could be seen as a comic account Most of all though it is an encouraging and life affirming story of how even late in life one can still change one's life and enjoy new and interesting experiences in a far away country *Once Upon a Winter Wonderland* Susan May Warren, Rachel D.
