Peter (John Peter),1991-01-01 This is a book about truck driver s lives risks and views on safety As a group truckers represent a significant population of road users whose high exposure driving creates a major challenge for safety Research into the larger social political and economic forces that affect trucker s safety problems has been scarce The Trucker s World comes to terms with the socioeconomic environment that contributes to breakdown in trucker safety and chronicles the lives and times of truckers as they try to make ends meet It analyzes driver risk by exploring the reasons reactions and

consequences of risk The author approaches his task with a research question Why is the average trucker continuously placed in conditions that according to truckers demand risky driving As a result of direct experience with truckers and trucking Rothe observes that truck drivers act as they do to gain autonomy over their work freedom from control of others and assurance of a reasonable livelihood In order to maintain a sufficient income in the transportation market even the most serious drivers perform tasks that often impinge on lethality and safety not as blatant radicals or daredevils fighting the system but as persons responding to the fear that they may lose their livelihood in trucking The thrust in trucker safety has followed a victimization philosophy in which emphasis on interventions has been aimed directly at truckers Rothe contends that safety programs would work better if they emphasized what influences motivates or encourages truckers to take chances on the road With this in mind he analyzes driver risk vehicle maintenance owner operator company driver policing home life drugs and alcohol government regulations and hours of service as they are seen by truckers industry officials and others Expanding our vision to encompass essential factors in the socioeconomic reality of the truck driving culture Rothe elucidates the far reaching consequences that safety issues have for truckers other road users policymakers and traffic safety educators
