Spiritual Entrepreneurs Brad Stoddard,2021-02-17 The overall rate of incarceration in the United States has been on the rise since 1970s skyrocketing during Ronald Reagan s presidency and recently reaching unprecedented highs Looking for innovative solutions to the crises produced by gigantic prison populations Florida s Department of Corrections claims to have found a partial remedy in the form of faith and character based correctional institutions FCBI s While claiming to be open to all religious traditions FCBI s are almost always run by Protestants situated within the politics of the Christian right The religious programming is typically run by the incarcerated along with volunteers from outside the prison Stoddard takes the reader deep inside FCBI s analyzing the subtle meanings and difficult choices with which the incarcerated prison administrators staff and chaplains grapple every day Drawing on extensive ethnographic research and historical analysis Brad Stoddard argues that FCBI s build on and demonstrate the compatibility of conservative Christian politics and neoliberal economics Even without authoritative data on whether FCBI s are assisting rehabilitation and reducing recidivism rates

similar programs are appearing across the nation only Iowa has declared them illegal under non establishment of religion statutes Exposing the intricate connections among incarceration neoliberal economics and religious freedom Stoddard makes a timely contribution to debates about religion s role in American society **Internet Marketing** Matt Bailey,2011-04-05
