Spiritual Direction and the Care of Souls David G. Benner,Gary W. Moon,2025-06-23 In recent years many Christian clergy laity and mental health

professionals have rediscovered the ancient practices of spiritual direction. Seen as a refreshing alternative to the techniques and limitations of modern psychology, such practices offer new insights for pastoral care. But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners. Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic, Orthodox, and Episcopal traditions but is also present in Wesleyan, Holiness, Pentecostal, charismatic, social justice, and Reformed communities. Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation, spiritual direction offers significant resources for today's pastors, counselors, therapists, chaplains, and other caregivers attuned to the work of God in people's lives. In this landmark volume, editors Gary W. Moon and David G. Benner, along with a team of expert contributors, provide a comprehensive survey of spiritual direction in its myriad Christian forms. Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction, with particular attention to each tradition's definition of spiritual direction, the process of authentic transformation, the role of the spiritual director, indicators of mature spirituality, and other aspects of the spiritual direction process. Chapters also provide psychological and clinical insight into how spiritual direction is similar to, different from, and can be integrated with

psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God. *Animal Spirit Guides* Steven D. Farmer, PhD, 2006-11-01 AN EASY TO USE HANDBOOK FOR IDENTIFYING AND UNDERSTANDING YOUR POWER ANIMALS AND ANIMAL SPIRIT HELPERS After the publication of his best-selling book *Power Animals*, many people inquired about the meaning of spirit animals that were not contained in that work. In *Animal Spirit Guides*, Dr. Farmer provides concise, relevant details about the significance of more than 200 animals that may come to you in physical or symbolic form as guides and teachers. With each animal listed, you'll find general meanings of the visitation, practical ways that they can help you as spirit guides, and how, as your power animal, they reflect characteristics that you possess. You'll also find a whom-to-call-on section that will tell you which animal spirit guide to call on for any specific purpose.
