Date: 12-11-2015

To,  
Jack Dolson  
1775 Washington Street  
Halifax MA 8745

Dear Jack Dolson,

As you know that we run a Non-governmental Organization in our University campus, called ABC. Our team is teaching kids from age 4 years to 18 years, living in slum areas nearby, for the last 6 years and it is going really well. From this year, we have decided that we will send some of our really fine kids to school for formal education. Some of our kids are already studying in nearby public schools.

For this purpose, we are looking for people we know to sponsor at least one child and support them and us. To send one kid to a Private school, an estimated cost per student is \$ X and an original copy of expected expenses has been attached here in this mail. If there is any query, we would love to answer any of them and can even meet in person.

Your little contribution and support can totally change the lives of many kids. We request you to please put some thoughts and kindly revert. We really hope to hear from you.

Thanking you.

With Regards,  
Micky Donald,  
Team leader
