High-Performance Training for Sports Joyce, David, Lewindon, Dan, 2014-05-16 High Performance Training for Sports presents today's best athlete conditioning protocols and programs in the world. An elite group of international strength and conditioning specialists and sport physiotherapists explain and demonstrate the most effective applications of the most current sport science and sports medicine to enhance athletic performance. **Teacher Support Pack** Alison Page, Tristram Shepard, Darren Coghlan, Ian Fitzgibbon, 2000-10 Also available on an electronic product on CD ROM see sample Student focused material allows independent learning and progress at individual rates. A learning unit structure provides maximum flexibility in the classroom with suggested lesson plans for non IT specialists. Targets for the start of each unit of work are reviewed at the end for complete consolidation. Developing Power NSCA -National Strength & Conditioning Association, Mike McGuigan, 2017-06-01 Authored by the National Strength and Conditioning Association. Developing Power is the definitive resource for developing athletic power. In Developing Power you'll find research based recommendations from the world's leading experts on power development. Coverage includes the following: Assessment protocols for testing jumps, throws and ballistic exercises. Step by step instructions for exercises and drills for upper body, lower body and total body power. Guidance on how to add progressions safely and effectively for continued development. Multiple training methods such as explosive weight training, Olympic lifts and plyometrics. Ready to use programs for 12 of the world's most popular sports. Leaving no topic uncovered. Developing Power is the most comprehensive resource dedicated to increasing athletic power. These are the exercises, programs and protocols being used at the highest levels of sport and performance. With Developing Power the experts at NSCA are ready to elevate your power. Earn continuing education credits, units. A continuing education course and exam that uses this book is also available. It may be purchased separately or as part of a package that includes all the course materials and exam. *How to Dazzle at Information Technology* Ann Goodwin, 2000. How to Dazzle at Information Technology contains over 40 photocopiable ideas for use with Key Stage 3 KS3 students. However many of them could also be used with Key Stage 4 KS4 slower learners. They are practice tasks which presuppose that students have the knowledge and skills required to use the various programs. Sportsmanship Tim Delaney, 2016-03-01 Sportsmanship is a broad concept: ethics, fairness, honor and self control. Some people find it difficult to define what makes a good sport but state I know one when I see one. This collection of new essays brings together the work of more than two dozen contributors from around the world who teach sportsmanship in a range of academic disciplines including sociology, psychology, economics, education, kinesiology and applied athletics. Topics include the moral ambiguities of cheating, recreation in prison, ethics and character formation, coaching perspectives, gender, race and the portrayal of sportsmanship in film. Instructors considering this book for use in a course may request an examination copy here. *NASM's Essentials of Sports Performance Training* Micheal Clark, Scott Lucett, Donald T. Kirkendall, 2010. This First Edition based on the National Academy of Sports Medicine.
