Sports Supplements Guide:

The Athlete's Guide to Sports Supplements Kimberly Mueller, Josh Hingst, 2013 The Athlete's Guide to Sports Supplements is for athletes, coaches and trainers seeking information on safe and legal performance focused supplements. Listed alphabetically, each of the 120 supplements has a detailed description of what it is and how it works, facts on performance benefits, current research, recommended dosages and health concerns. *The Athlete's Guide to Sports Supplements* Kimberly Mueller, Josh Hingst, 2013-06-18 A countless number of new, renamed and variations of sport supplements flood the market each year. Many of these are accompanied by slick marketing campaigns promising too good to be true results. For athletes seeking a safe, effective edge to their training and performance, supplements can be a confusing and serious matter. The Athlete's Guide to Sports Supplements separates fact from fiction, provides quick answers to the most common questions and delivers information you can trust. Sport nutrition and supplement experts Kimberly Mueller and Josh Hingst provide concise descriptions for 120 of today's most popular supplements. For each entry, you'll discover what it is, how it works, potential performance benefits, research studies and outcomes, dosage recommendations and possible health concerns. You'll also find recommendations for master's athletes, those competing in extreme environments and those with special dietary needs such as food allergies, diabetes and vegetarian. Best of all, each supplement is listed alphabetically, providing quick and easy navigation throughout the book. Alternatively, use the supplement finder to locate supplements for a particular purpose such as recovery, endurance and strength. And for ease of searching, many of the supplements are thoroughly cross-referenced by scientific and popular names. With more than 120 supplements, recommendations for all athletes at all levels and expert advice that you can immediately apply, *The Athlete's Guide to Sports Supplements* is the one training and performance resource you'll turn to again and again. *Sport Supplement Reference Guide* William Llewellyn, 2009-10 William Llewellyn, the author of the best-selling Anabolics series, brings you the most comprehensive book ever written on sport supplements. The Sport Supplement Reference Guide takes a look at over 40 of today's most popular sport supplement ingredients. What you can expect from Sport Supplement Reference Guide: An overview of the sport supplement industry; Protein primer and how to choose the right type of protein for your needs; Types of Carbohydrate Supplementation; Vitamin and Mineral overview; Supplement Ingredient Profiles of over 40 different ingredients. Each profile has its own rating based on clinical studies and empirical evidence; Rules for Effective Supplement Shopping and Consumer Empowerment. This section will help you stop wasting money on worthless supplements; Goal orientated sample supplement cycles that take the guesswork out of what supplements are needed for your goal. This book is perfect for anyone that consumes dietary supplements for sports related activity, weight lifting, bodybuilding, weight loss or other fitness goals.
