Spotlight Canada J. Bradley Cruxton, W. Daniel Wilson, Wilson, W. Douglas, 1996 Spotlight Canada Third Edition covers the history of Canada from Confederation to the present day This edition has been completely redesigned in full colour and updated to cover recent events New unit introductions provide timelines outline key learning outcomes and highlight major themes Boxed inserts throughout the text focus on key individuals and examine developments in the Arts Science and Technology and Society Activities have been expanded and revised to progress from comprehension through application analysis and extension with numerous opportunities for cross curricular integration A comprehensive Teacher's Resource includes teaching suggestions additional readings and activities and numerous reproducible worksheets

Canadian Society in the Twenty-First Century, Fourth Edition Trevor W. Harrison, John W. Friesen, 2021-03-03 Confederation may have established Canada's nationhood in 1867 but the relationships framing Canada's modern existence go back much further Employing a unique socio historical perspective Canadian Society in the Twenty First Century examines three formative relationships that have shaped the country Canada and Quebec Canada and the United States and Canada and Indigenous nations Now in its fourth edition this engaging text offers students an overview of Canadian society through a series of connections rather than a collection of statistics Trevor W Harrison and John W Friesen weave together complex aspects of the nation's economic political and socio cultural development They guide readers to use this interdisciplinary framework to consider some of the tough questions that Canada is likely to face in adjusting to demands and challenges in the next few decades Reflecting the most current scholarship in the field this revised edition features new discussions on issues such as the current crisis of neo liberal globalization Canada's petroleum industry global warming the Wet suwet en dispute in 2020 and the COVID 19 pandemic Exploring the unique character of Canada today this text is a vibrant resource for sociology courses on Canadian society as well as courses in Canadian studies and Canadian history

Canadian Parties in Transition, Fourth Edition Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01 Canadian Parties in Transition examines the transformation of party politics in Canada and the possible shape the party system might take in the near future With chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors The new material covers topics such as the return to power of the Liberal Party voting politics in Quebec women in Canadian political parties political campaigning digital party politics and municipal party politics

The Politics of Canadian Foreign Policy, Fourth Edition Kim Richard

Nossal,Stéphane Roussel,Stéphane Paquin,2015-12-07 The fourth edition of this widely used text includes updates about the many changes that have occurred in Canadian foreign policy under Stephen Harper and the Conservatives between 2006 and 2015 Subjects discussed include the fading emphasis on internationalism the rise of a new foreign policy agenda that is increasingly shaped by domestic political imperatives and the changing organization of Canada s foreign policy bureaucracy As in previous editions this volume analyzes the deeply political context of how foreign policy is made in Canada Taking a broad historical perspective Kim Nossal St phane Roussel and St phane Paquin provide readers with the key foundations for the study of Canadian foreign policy They argue that foreign policy is forged in the nexus of politics at three levels the global the domestic and the governmental and that to understand how and why Canadian foreign policy looks the way it does one must look at the interplay of all three **Social Determinants of Health, Fourth Edition** Dennis Raphael,2025-01-06

Now in its fourth edition Dennis Raphael s Social Determinants of Health offers the definitive Canadian discussion of the primary factors that influence the health of Canada s population This unique text on the social determinants of health contains contributions from top academics and high profile experts from across Canada Taking a public policy approach the contributors to this edited collection critically analyze the structural inequalities embedded in our society and the socio economic factors that affect health including income education employment housing food security gender and race This new edition includes recent statistics new developments in early childhood education and the implementation of Canada s national childcare system and new content on the social determinants of Indigenous Peoples health Particular attention is paid to how economic globalization and the acceptance of neoliberal governing ideology is shaping the health of Canadians The COVID 19 epidemic vividly illustrated the importance of the social determinants of health as sickness and death rates were strikingly higher among Canadians in groups already experiencing adverse living and working conditions and poorer health lower income Canadians recent immigrants of colour and those experiencing housing and food insecurity If anything positive is to come out of this experience it will be recognition that in the current post COVID 19 environment it is essential to understand the socio economic conditions that shape the health of individuals and communities Social Determinants of Health Fourth Edition is aimed at courses focusing on the social determinants of health at Canadian universities and colleges particularly those in health studies and nursing but also allied health sociology and human services *Concepts and Cases in Nursing Ethics - Fourth Edition* Michael Yeo,Anne Moorhouse,Pamela Khan,Patricia Rodney,2020-04-30 A portion of the revenue from this book s sales will be donated to Doctors Without Borders to assist the humanitarian work of nurses doctors and other health care providers in the fight against COVID 19 and beyond Concepts and Cases in Nursing Ethics is an introduction to contemporary ethical issues in health care designed especially for Canadian audiences The book is organized around six key concepts beneficence autonomy truth telling confidentiality justice and integrity Each of these concepts is explained and discussed with reference to professional and legal norms The discussion is then supplemented by case studies

that exemplify the relevant concepts and show how each applies in health care and nursing practice This new fourth edition includes an added chapter on end of life issues and it is revised throughout to reflect the latest developments on topics such as global health ethics cultural competence social media and palliative sedation as well as ethical issues relating to COVID 19
