Anzaldúa and AnaLouise Keating have painstakingly assembled a new collection of over eighty original writings that offers a bold new vision of women of color consciousness for the twenty-first century. Eye opening and utterly gripping, Koren Zailckas's story is that of thousands of girls like her who are not alcoholics yet but who routinely use booze as a shortcut to courage and a stand-in for good judgment. With one stiff sip of Southern Comfort at the age of fourteen, Zailckas is initiated into the world of drinking. From then on, she will drink faithfully, fanatically. In high school, her experimentation will lead to a stomach pumping. In college, her excess will give way to a pattern of self-poisoning that will grow more destructive each year. At age twenty-two, Zailckas will wake up in an unfamiliar apartment in New York City, elbow her friend who is passed out next to her, and ask, "Where are we?" *Smashed* is a sober look at how she got there and, after years of blackouts and smashups, what it took for her to realize she had to stop drinking. *Smashed* is an astonishing literary debut destined to become a classic Discovering Computers 98 Gary B.
