Wilhelm,2016 This award winning book continues to resonate with teachers and inspire their teaching because it focuses on the joy of reading and how it can engage and even transform readers In a time of next generation standards that emphasize higher order strategies text complexity and the reading of nonfiction *You Gotta BE the Book* continues to help teachers meet new challenges including those of increasing cultural diversity At the core of Wilhelm s foundational text is an in depth account of what highly motivated adolescent readers actually do when they read and how to help struggling readers take on those same stances and strategies His work offers a robust model teachers can use to prepare students for the demands of disciplinary understanding and for literacy in the real world The Third Edition includes new commentaries and tips for using visual techniques drama and action strategies think aloud protocols and symbolic story representation reading manipulatives Book Features A data driven theory of literature and literary reading as engagement A case for undertaking teacher research with students An approach for using drama and visual art to support readers comprehension Guidance for assisting students in the use of higher order strategies of reading and writing as required by next generation standards like the Common Core Classroom interventions to help all students especially reluctant ones become successful readers This book points the way for us to cast our students as experts and collaborators in the educational enterprise From the Foreword by Michael W Smith Temple University College of Education Simply put it is a classic timeless in its basic approach and yet full of relevant ideas and strategies for the era of Common Core Deborah Appleman Carleton College On the Second Edition This important book remains on the must read list for literacy teachers working with adolescent learners CHOICE I hope this book is read and considered by all the stakeholders who can make a difference in education by following Wilhelm s lead of improving instruction to enhance students lives *Journal of Adolescent and Adult Literacy* *Translanguaging and English as a Lingua Franca in the Plurilingual Classroom* Anna Mendoza,2023-03-09 This book explores multilingual practices such as

translanguaging code switching and stylization in secondary classrooms in Hawai i Using linguistic ethnography it investigates how students in a linguistically diverse class including those who speak less commonly taught languages deal with learning tasks and the social life of the class when using these languages alongside English as a lingua franca It discusses implications for teachers from balancing student needs in lesson planning and instruction to classroom management where the language use of one individual or group can create challenges of understanding participation or deficit identity positionings for another The book argues that students must not only be allowed to flex their whole language repertoires to learn and communicate but also be aware of how to build bridges across differences in individual repertoires It offers suggestions for teachers to consider within their own contexts highlighting the need for teacher autonomy to cultivate the classroom community s critical language awareness and create conducive environments for learning This book will appeal to postgraduate students researchers and academics working in the fields of sociolinguistics and linguistic ethnography as well as pre service and in service teachers in linguistically diverse secondary school contexts
