N Noddings

Sri Lanka Ed:

Sri Lanka Walter Nubin, 2002 This book provides an overview of the development of a small country which on the one hand is unique and on the other hand is also an interesting reflection and microcosm of the global economy Sri Lanka's development is one of the contrasts complicated by social conflicts and ethnic tensions Social political economic and constitutional developments are considered This is in accordance with the Sri Lankan tradition of seeing the world as a connected whole The Democratic Socialist Republic of Sri Lanka formerly known as Ceylon is an island in the Indian Ocean approximately 18 miles off the south eastern coast of India with a population of about 19 million Density is highest in the south west where Colombo the country's main port and industrial centre is located Sri Lanka is ethnically linguistically and religiously diverse Sri Lanka follows a non aligned foreign policy It participates in multilateral diplomacy particularly at the United Nations where it seeks to promote sovereignty independence and development in the developing world *Sri Lanka* Jonathan Spencer, 2002-09-11 In the past decade Sri Lanka has been engulfed by political tragedy as successive governments have failed to settle the grievances of the Tamil minority in a way acceptable to the majority Sinhala population The new Premadasa presidency faces huge economic and political problems with large sections of the island under the control of the Indian Peace Keeping Force IPKF and militant separatist Tamil groups operating in the north and south This book is not a conventional political history of Sri Lanka Instead it attempts to shed fresh light on the historical roots of the ethnic crisis and uses a combination of historical and anthropological evidence to challenge the widely held belief that the conflict in Sri Lanka is simply the continuation of centuries of animosity between the Sinhalese and the Tamils The authors show how modern ethnic identities have been made and re made since the colonial period with the war between Tamils and the Sinhala dominant government accompanied by rhetorical wars over archeological sites and place name etymologies and the political use of the national past The book is also one of the first attempts to focus on local perceptions of the crisis and draws on a broad range of sources from village fieldwork to newspaper controversies Its interest extends beyond contemporary politics to history anthropology and development studies **Enhancing STEM Education and Careers in Sri Lanka** Shalika Subasinghe, Shobhana Sosale, Harsha Aturupane, 2023-06-30 This country report examines how access to and choice on science technology engineering and mathematics STEM affect enrollments in upper secondary technical and vocational education and training TVET and higher education in Sri Lanka The goal is to increase access to and participation in STEM programs and careers **Economy, Culture, and Civil War in Sri Lanka** Deborah Winslow, Michael D. Woost, 2004-09-02 This title is an examination of the everyday economy experiences and livelihoods in the context of Sri Lanka's civil war It argues that the war is grounded not just in the goals and intentions of the opposing sides but also in the everyday orientations experiences and material practices of all Sri Lankan people **English Language Education Policy in Asia** Robert Kirkpatrick, 2015-11-27 This volume offers comprehensive state of the art overviews of educational policies

concerning the teaching of English in a large number of Asian countries Each contribution is written by a leading expert and gives a clear assessment of current policies and future trends Starting with a description of the English education policies in the respective countries the contributors then delve into the nuts and bolts of the English education policies and how they play out in practice in the education system in schools in the curriculum and in teaching Topics covered include the balance between the acquisition of English and the national language political cultural economic and technical factors that strengthen or weaken the learning of English *The Routledge International Handbook of Language Education Policy in Asia* Andy Kirkpatrick,Anthony J. Liddicoat,2019-04-17 This must have handbook offers a comprehensive survey of the field It reviews the language education policies of Asia encompassing 30 countries sub divided by regions namely East Southeast South and Central Asia and considers the extent to which these are being implemented and with what effect The most recent iteration of language education policies of each of the countries is described and the impact and potential consequence of any change is critically considered Each country chapter provides a historical overview of the languages in use and language education policies examines the ideologies underpinning the language choices and includes an account of the debates and controversies surrounding language and language education policies before concluding with some predictions for the future

Sri Lanka Education Sector Assessment Halil Dundar,Benoit Millot,Michelle Riboud,Mari Shoji,Harsha Aturupane,Sangeeta Goyal,Dhushyanth Raju,2017-06-16 A country s education system plays a pivotal role in promoting economic growth and shared prosperity Sri Lanka has enjoyed high school attainment and enrollment rates for several decades However it stillfaces major challenges in the education sector and these challenges undermine the country s inclusivegrowthgoal and its ambition to become a competitive upper middle income country The authors of Sri Lanka Education Sector Assessment Achievements Challenges and Policy Options offer athorough review of Sri Lanka s education sector from early childhood education through higher education With this book they attempt to answer three questions How is Sri Lanka s education system performing especially with respect to participation rates learningoutcomes and labor market outcomes How can the country address the challenges at each stage of the education process taking into accountboth country and international experience and also best practices Which policy actions should Sri Lanka make a priority for the short and medium term The authors identify the most critical constraints on performance and present strategic priorities and policyoptions to address them To attain inclusive growth and become globally competitive Sri Lanka needs toembark on integrated reforms across all levels of education These reforms must address both short termskill shortages and long term productivity As Sri Lanka moves up the development ladder the prioritiesof primary secondary and postsecondary education must be aligned to meet the increasingly complexeducation and skill requirements Scholarship of Teaching and Learning (SoTL) in Asian Higher Education Kaur, Amrita,Noman, Mohammad,2024-12-11 The scholarship of teaching and learning SoTL plays a critical role in shaping higher education by enhancing teaching practices and improving student learning

outcomes In Asia SoTL takes on unique significance due to the region's rich diversity in cultural historical and social contexts The integration of traditional values with modern educational approaches highlights the complexity and adaptability of SoTL in addressing global and local educational challenges This evolving practice not only enriches academic research but also fosters innovative methodologies that resonate with the diverse needs of educators and learners across the region

Scholarship of Teaching and Learning SoTL in Asian Higher Education raises awareness about the importance of SoTL in Asia It serves as a catalyst for educators to engage with SoTL practices Covering topics such as cultural humility pedagogy and third space dynamics this book is an excellent resource for educators academic developers institutional leaders academicians policymakers and more

The Political Dimension In Teacher Education Beverly Lindsay, Mark B. Ginsburg, 2013-10-23 First Published in 1995 Routledge is an imprint of Taylor Francis an informa company

Deaf Education Beyond the Western World Harry Knoors, Maria Brons, Marc Marschark, 2019-01-16 By exploring practice based and research based evidence about deaf education in countries that largely have been left out of the international discussion thus far this volume encourages more researchers in more countries to continue investigating the learning environment of deaf learners based on the premise of leaving no one behind Featuring chapters centering on 19 countries from Africa Asia Latin America and Central and Eastern Europe the volume offers a picture of deaf education from the perspectives of local scholars and teachers who demonstrate best practices and challenges within their respective regional contexts

Multilingual Education in South Asia Lina Adinolfi, Usree Bhattacharya, Prem Phyak, 2022-05-17 Spanning scholarly contributions from India Nepal Bangladesh Pakistan and Sri Lanka this edited volume seeks to capture and elucidate the distinct challenges approaches and possible solutions associated with interpreting adapting and applying language in education policies in a range of linguistically complex teaching and learning environments across South Asia Centring on the ground perspectives of scholars practitioners pupils parents and the larger community the volume offers new insights into one of the most complex populous and diverse multilingual educational contexts in the world Language in education policies and practices within this setting represent particularly high stakes issues playing a pivotal role in determining access to literacy thereby forming a critical pivot in the reproduction of educational inequality The broad aim of the collection is thus to highlight the pedagogical practical ideological and identity related implications arising from current language in education policies in this region with the aim of illustrating how systemic inequality is intertwined with such policies and their associated interpretations Aimed at both academics and practitioners whether researchers and students in the fields of education linguistics sociology anthropology or South Asian studies on the one hand or language policy advisors curriculum developers teacher educators teachers and members of funding bodies aid providers or NGOs on the other it is anticipated that the accounts in this volume will offer their readership opportunities to consider their wider implications and applications across other rich multilingual settings be these local regional national or global

The Child and the State in

India Myron Weiner, 2021-02-09 India has the largest number of non schoolgoing working children in the world Why has the government not removed them from the labor force and required that they attend school as have the governments of all developed and many developing countries To answer this question this major comparative study first looks at why and when other states have intervened to protect children against parents and employers By examining Europe of the nineteenth century the United States Japan and a number of developing countries Myron Weiner rejects the argument that children were removed from the labor force only when the incomes of the poor rose and employers needed a more skilled labor force Turning to India the author shows that its policies arise from fundamental beliefs embedded in the culture rather than from economic conditions Identifying the specific values that elsewhere led educators social activists religious leaders trade unionists military officers and government bureaucrats to make education compulsory and to end child labor he explains why similar groups in India do not play the same role

English in East and South Asia Ee Ling Low, Anne Pakir, 2021-08-29 This book provides a first systematic and comprehensive account of English in East and South Asia EESA based on current research by scholars in the field It has several unique features Firstly it provides a rigorous theoretical overview that is necessary for the understanding of EESA in relation to the burgeoning works on World Englishes as a discipline Secondly in the section on linguistic features a systematic template was made available to the contributors so that linguistic coverage of the variety varieties is similar Thirdly the vibrancy of the sociolinguistic and pragmatic realities that govern actual English in use in a wide variety of domains such as social media the Internet and popular culture music are discussed Finally this volume includes an extensive bibliography of works on EESA thus providing a useful and valuable resource for language researchers linguists classroom educators policymakers and anyone interested in the topic of EESA or World Englishes This volume hopes to advance understanding of the spread and development of the different sub varieties reflecting both the political developments and cultural norms in the region

Minority Languages and Multilingual Education Durk Gorter, Victoria Zenotz, Jasone Cenoz, 2013-11-04 This book presents research on the situation minority language schoolchildren face when they need to learn languages of international communication in particular English The book takes minority languages as a starting point and it bridges local and global perspectives in the analysis of multilingual education contexts It examines the interaction of minority languages and cultures majority languages and lingua franca s in a variety of settings across different regions and countries on all continents Even though all chapters in this book involve minority languages the issues discussed are relevant to any context in which more than language is used in education The book reveals challenges and opportunities of multilingual education by discussing issues such as Northern and Southern concepts language education policies language diversity interethnic understanding multimodal language practices power conflict identity and prestige among many others This is the volume that finally accounts for multilingual education from a truly multilingual perspective by involving proposals and research from a variety of multilingual speech communities in the world

The linguistically rich Ethiopia and Mexico can teach the poor Europe and other Northern countries about multilingual education CLIL promoters may learn from Finnish Sami and Canadian Innu and Mi'gmaq indigenous communities as well as from Basque results Speakers and teachers of minority and international languages will certainly be glad to hear the news There is no need for a monolingual bias or tunnel vision in acquiring English in non English speaking communities This volume includes new challenging pedagogical perspectives while pointing to interesting conclusions for worldwide educational authorities Maria Pilar Safont Jord Universitat Jaume I Castell Spain

Feminist Research Methodology Maithree Wickramasinghe, 2009-12-04 This book focuses on feminist research methodology exploring and analysing its constituting methods theory ontology epistemology ethics and politics and research issues relating to women gender and feminism in Sri Lanka The book examines ways of meaning making for the political ideological and ethical purposes of promoting individual and social change and constructs an example of feminist research praxis Using this South Asian country as a case study the author looks at the means by which researchers in this field inhabit engage with and represent the multiple realities of women and society in Sri Lanka In analysing what constitutes feminist research methodology in a transitional country the book links local research practices with Western feminist approaches taking into account the commonalities distinctions and specificities of working in a South Asian context Engaging with and re conceptualising three traditionally different types of research women's studies gender studies and feminist studies from a methodological perspective Feminist Research Methodology provides a framework for researching feminist issues Applicable at both a local and global level this original methodological framework will be of value to researchers working in any context

Women, Education and Development in Asia Grace C.L. Mak, 2017-12-12 This reissue 1996 examines four interrelated aspects of schooling for women in ten Asian countries the development experience of a country and how it affects education and women's status the types of educational opportunities available to women if the greater exposure to education results in greater participation in the public sphere the impact of education and economic participation on women's domestic status

Gender, Education and Development Christine Heward, Sheila Bunwaree, 1999 This book grounds the education of women and girls in the realities of their lives and experience in diverse areas of the developing world The case studies range from the Arakambut of Peru to the changing experience of racialized education in South Africa The contributors take issue with the World Bank's view that the education of girls and women is important primarily as a cost effective mechanism for making women more economically productive

Encountering Kali Rachel Fell McDermott, Jeffrey John Kripal, 2005-01-01 Encountering Kali explores one of the most remarkable divinities the world has seen The Hindu goddess Kali is simultaneously understood as a blood thirsty warrior a deity of ritual possession a tantric sexual partner and an all loving compassionate mother Popular and scholarly interest in her has been on the rise in the west in recent years Responding to this phenomenon McDermott and Kripal's volume focuses on the complexities involved in interpreting Kali in both her

indigenous south Asian settings and her more recent Western incarnation Through the shifting lenses of scriptural history temple architecture political reflection and the goddess s recent guises on the Internet the contributors pose questions that illuminate our understanding of Kali while addressing the problems and promises inherent in every act of cross cultural interpretation

Education and Pedagogical Experiences Kennedy Thomas, Joseph Kureethara, 2025-03-04 This book analyses how the educational ecosystem undergoes a paradigm shift during human emergencies be it natural manmade environmental ethnic or a global pandemic like COVID 19 It discusses varied approaches experiences and the steadfast desire to share information demonstrating the value of teaching and learning in difficult conditions This volume aims to build resilience and inspire young minds to persevere through challenging times It explores the continuity of education during emergencies various teaching and learning approaches and the importance of maintaining a resilient attitude Each addresses the cultural and locational specifics of emergencies illustrating how education and pedagogy have made a global impact They also examine a specific aim enriched by cultural geographical and human variables and how education and pedagogy aim to resolve these concerns This book would be useful to students researchers and teachers working in Education Environmental Science and Disaster Management Political Science Public Administration International Relations Peace Education Psychology and Cognitive Science Neuroscience Sociology and Social work It would also be an invaluable companion to practicing pre service and in service teachers and their trainers policy makers professionals from government and non government organizations working in education and social development

Educational Decentralization Christopher Bjork, 2007-03-23 Decentralization and Education Asian Experiences and Conceptual Contributions examines the specific ways in which decentralization policies have affected the structure and delivery of education in eleven Asian nations Written by top scholars in the field the case studies provide detailed and rich empirical evidence documenting the tensions as well as synchronisms between the ideas that form the basis of decentralization policy and the contexts into which they are introduced The high quality of this collection of essays and the careful attention to local contexts for implementation will make this book a must read for academics policy planners practitioners and students of Asia
