Gerrard, 2005-03-31 Irene has a husband Adrian three small children and though she doesn't know it a marriage that is going wrong When she discovers that Adrian is having an affair the family is blown apart Solace is a story of contrasts While Adrian finds new love and excitement Irene spirals into exhaustion self destruction and a kind of madness With their marriage in shreds and Adrian whisking their daughters on a trip of a lifetime to Australia with his new lover Irene finally reaches rock bottom She decides to leave the unbearable silence of her home for a trip by herself to visit her brother Jem in France And as Irene soon realises being alone can mean discovering freedom elation and even in the darkest of times finding your solace

The Death of Rural England Alun Howkins, 2003-09-02 Alun Howkins panoramic survey is a social history of rural England and Wales in the twentieth century He examines the impact of the First World War the role of agriculture throughout the century and the expectations of the countryside that modern urban people harbour Howkins analyzes the role of rural England as a place for work as well as leisure and the problems caused by these often conflicting roles This overview will be welcomed by anyone interested in agricultural and social history historical geographers and all those interested in rural affairs **Et suster farvel** Nicci Gerrard, 2016-10-11 *The Last Ocean* Nicci Gerrard, 2019 From the award winning

journalist and author a lyrical raw and humane investigation of dementia that explores both the journeys of the people who live with the condition and those of their loved ones After a diagnosis of dementia Nicci Gerrard's father John continued to live life on his own terms alongside the disease But when an isolating hospital stay precipitated a dramatic turn for the worse Gerrard an award winning journalist and author recognized that it was not just the disease but misguided protocol and harmful practices that cause such pain at the end of life Gerrard was inspired to seek a better course for all who suffer because of the disease The Last Ocean is Gerrard's investigation into what dementia does to both the person who lives with the condition and to their caregivers Dementia is now one of the leading causes of death in the West and this necessary book will offer both comfort and a map to those walking through it While she begins with her father's long slip into forgetting Gerrard expands to examine dementia writ large Gerrard gives raw but literary shape both to the unimaginable loss of one's own faculties as well as to the pain of their loved ones Her lens is unflinching but Gerrard honors her subjects and finds the beauty and the humanity in their seemingly diminished states In so doing she examines the philosophy of what it means to have a self as well as how we can offer dignity and peace to those who suffer with this terrible disease Not only will it aid those walking with dementia patients The Last Ocean will prompt all of us to think on the nature of a life well lived The
