

Chapter 1

Introduction to Wireless Communications

Lab 1-1 Research Wireless Data Communications

Objectives

Students in this lab will help you find learning areas of the technology that will be used throughout the course. By understanding a variety of wireless technologies and the data and routing a short paragraph description of each, you will be able to strengthen a bridge through the gap.

After comparing answers, you will be able to:

- 1. List three or four different technologies described in the course book.
- 2. Briefly describe the network the related technology that they apply to.

Materials Required

- 1. Computer with Internet access.
- 2. Web browser (e.g., Firefox, Chrome, Edge) to view the technology of your choice and to read the text of this lab document.

Estimated completion time:

100 minutes

Activity

1. Read the textbook facts about each of the wireless paragraphs described in the course book in the table below. After you read each cell, write in the table the related technology concerning a communication of your choice.
