

# PRESENT TENSE

## The Key to Expressing the Present Moment!

The **present tense** is used to describe actions or states of being that are happening right now or are ongoing.

| FORM                       | EXAMPLE                            | USAGE                                                                 |
|----------------------------|------------------------------------|-----------------------------------------------------------------------|
| Simple Present             | I <u>play</u> tennis.              | Habitual or repeated actions.                                         |
| Present Continuous         | I <u>am playing</u> tennis.        | Actions happening right now.                                          |
| Present Perfect            | I <u>have played</u> tennis.       | Actions that began in the past and continue to the present.           |
| Present Perfect Continuous | I <u>have been playing</u> tennis. | Actions that began in the past and continue up to the present moment. |
