simultaneously tantricizing notions of modernity and modernizing tantra itself with reference to the works of Lata Mani and William Schindler and an investigation of the Mother centric spiritual sensibilities in various religious discourses and devotional literatures among other discussions In short this book investigates the possibilities of inserting the figure of the Great Mother into the critical domain of cultural pluralism thereby celebrating a multiculturalism that is not based on violence and conflict antagonism but grounded in harmony The Mother is seen by the discourse articulated here mainly as a middle ground between flesh and spirit knowledge and passion justice and compassion and in the red shadow of the Mother social epistemologies and academic discourses are radically renegotiated **Spiritual Care Basics and Beyond** Joel

The Alchemy of Freedom A. H. Almaas,2017-03-28 Well known spiritual teacher A H Almaas uses the metaphor of the mysterious philosopher's stone to discuss a tremendous liberating power that leads to endless enlightenment For millennia alchemists sought the philosopher's stone the miracle substance believed to be the key to all the secrets of existence The quest was fueled by some of the prime questions of human existence What am I Why am I here How has this world come to be A H Almaas shows that the tremendous liberating power of the mysterious philosopher's stone is closer to us than we realize In fact it is the true nature of all reality in all times and all places without being limited to being anything in particular Through the philosopher's stone real transformation can happen our consciousness can become free and we can open to all the possibilities of reality Almaas discusses the factors that are involved in igniting the catalytic property of the philosopher's stone and then begins to unpack the properties of true nature when it is free of constraints Finally we are left with the revelation that true nature is endlessly knowable and yet nothing we can know or say about it exhausts its mystery and power

The result is a new understanding of what liberation and practice are and a view of what it is like when seeking ceases and life becomes a process of continual discovery We begin to appreciate that the freedom of reality expressed in the complete and fulfilled life all human beings seek and few find is actually the simplicity of the ordinary A-C-T-S Wendy Bowen,2015-03-15 In the Book of Acts in the Bible the epic and supernatural experiences of God's love power and guidance are powerful and tangible This ACTS study of the Book of Acts is designed to equip and empower followers of Jesus today to become like the first disciples and to do the things that they did in that world changing book ACTS begins with a review of the Gospel and the resurrection of Jesus as His first followers would have understood them and then moves through the historical accounts of the Book of Acts Topic by topic it reveals the dynamics of the life of the early church on and after the day of Pentecost when the Holy Spirit was poured out with power from Heaven This study is written to the common believer in language that is easy to understand and apply to life today so that every follower of Jesus can enter into deep fellowship with the Holy Spirit and other believers endure victoriously through the trials of life and opposition to the faith and know our power and authority to work miracles signs and wonders in the name of Jesus If your heart burns to experience the Book of Acts then ACTS is the study for you and your church **Myopic Me! Freedom from Religion** John D Lane Jr,2023-07-12 When nine of us prayed at Holden Beach we thanked God though we had been the victims of the Shepherding Religion But Jesus's proactive trip into the Wilderness had confronted an estimated forty two hundred religions according to current estimates Jesus's bedrock actions combined with His confrontation of Legion spelled the doom for religion's strongholds Post Holden Beach my wife's dream revealed that T Jacks come to snap at the ankles of every irreligious person who nevertheless has formulated their own religion They we become ensnared in the sweaty religion of Myopic Me Paul says that Myopic Me perfectly describes the crooked generation's love of self and money contemptuous of Law acting with cruelty disobedient to parents boastful and loving pleasure while scoffing at God Paul tells us that religion comes to everyone who demotes Christ's finished work Thus my five books address these battlefields for the soul of man Captured by the Faith Time Continuum Jerusalem with Solomon Einstein Made in the Bipolar Image of God Dividing Wall of Hostility Freedom from Religion
