Spiritual Leadership How to Become a Great Spiritual Leader Leonard Doohan, 2014-12-03 This book has a single focus how to become a great spiritual leader It is a book on the spirituality of a leader's personal life The book proposes ten steps that individuals can take to enable this process of transformation and a hundred suggestions to make this transformation real and lasting It is a unique book in the literature on leadership This book is a challenge to think about leadership in a new way Individuals who follow these steps would give the world something to think about regarding what leadership ought to be and could be Three Pillars of a Great Spiritual Leader Charles Anthony, 2020-06-04 Too often we take for granted our ability to become great spiritual leaders We attempt to separate Spiritual leadership from secular leadership But I want to affirm to you that we first existed as a spirit and God then chose to wrap this thing called flesh around us because he had a mission to complete through us for kingdom purposes If we attempt to separate the Spirit from the man the only thing we are doing is turning our back on God and relying on self and Satan for affirmations Jeremiah 1:5 says before I formed you in the womb I knew you and before you were born I sanctified you I have appointed you a prophet unto the nations This is our confirmation that God has predestined us to become great spiritual leaders at the core whether we are in a sanctuary our homes or a secular organization In this book I have brought to you stories that opens the lives of the greatest Men and Women Leaders of the first century I pray that my exhortation of these great spiritual leaders will encourage your life and set a foundation for your Spiritual growth Spiritual Leadership Thomas G.
