Adventures in Spiritual Warfare William P. Payne, 2018-05-04 Even though they lack the words to describe it most people know that spiritual warfare is real This book pulls back the curtains and gives the reader a front row seat to the most exciting show of our time Each chapter pairs riveting personal stories with solid biblical teaching to give the reader practical guidelines for defeating Satan and living a victorious Christian life Perhaps you feel like Peter felt when Jesus commanded him to leave the safety of his boat and step upon the tempestuous sea Because he trusted Jesus he obeyed him Later Jesus told the disciples that they would do greater things This book will help you find the courage to step out of your comfort zone and walk into the world of power ministry Thankfully a series of profound encounters with evil supernaturalism forced me to overcome my internal resistance to spiritual warfare After I learned how to flow with the Spirit defeat the enemy and set the captives free my life has never been the same Are you ready to join the battle **Daily Graphic** Ransford Tetteh, 2014-03-03

The Chaos Conundrum Aaron John Gulyas, 2014-01-23 In *The Chaos Conundrum* historian Aaron John Gulyas examines how the paranormal has intersected and influenced our culture in myriad ways from the conspiracy beliefs of William Cooper and Exopolitics to the challenge that the stories of Gray Barker presented to our concept of self and time He looks at the maelstrom of personalities agendas impressions data confusion and contradictions that can be found in the world of the weird and demonstrates how they have become an integral part of our lives whether in the form of flying saucers hauntings religious revelations psychic abilities or dozens of other guises Gulyas delves into the stories of the people who have attempted to create order out of the chaos Along the way he recounts his own journey from enthusiastic believer in the shadow government and their underground bases to jaded academic skeptic and then finally to someone who thinks there might just be something to the paranormal after all but not what we have been led to expect or believe *Weekly*
