

SPRING'S BEGINNING

The background of the entire cover is a dark, moody forest scene. Tall, slender tree trunks are visible, with a soft, ethereal green light filtering through the canopy. In the center of the lower half, the silhouette of a man stands with his back to the viewer, looking towards a large, glowing thought bubble that floats in front of him. The bubble is dark with a lighter, textured center, and it contains the book's central theme. The title is written in a large, white, gothic-style font at the top, with a subtle glow effect.
