Innovation Without Permission: Rethinking Rules to Fuel Ideas Vicky Baker, Rules are meant to guide us but too often they hold our best ideas hostage In Innovation Without Permission Vicky Baker challenges the notion that creativity requires approval authority or perfect conditions With wit and clarity she reveals how history s boldest innovators thrived not by following the rules but by questioning bending and sometimes outright breaking them Packed with eye opening examples practical strategies and energising exercises this book invites you to see constraints as opportunities bureaucracy as a puzzle to play with and no as the first step toward a breakthrough Whether you re inside a corporate system craving change an entrepreneur pushing against industry norms or simply someone with a spark of an idea Innovation Without Permission shows you how to unlock progress by daring to move first and ask forgiveness later It s time to stop waiting for a green light The world s best ideas are built without permission **Breast Cancer? Let Me Check My Schedule!** Peggy Mccarthy, 2019-03-13 They come from different backgrounds and from professions as varied as medicine education and

entertainment but these ten women share one thing in common They all have breast cancer This book describes their experiences exploring their initial fear rage and uncertainty and reveals how each eventually coped in her own way with her diagnosis
