The Frederic Wood Theatre Presents the Visit./by Friedrich Durrenmatt, Adapted by Maurice Valency Friedrich Dürrenmatt, Frederic Wood Theatre, 1964 *The Theatre of Kander and Ebb* Robert Gordon, 2025-07-24

Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb's collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb's musicals offering an in depth introduction to their oeuvre

Understanding Fr Roger Alan Crockett, 1998 This introductory volume explores the playwright's chaotic universe where God has retreated beyond the stars and where blind chance is the real prime mover justice is corruptible ideologies useless and tragedy no longer possible Yet despite the overriding pessimism of Durrenmatt's *Weltanschauung* the author argues that the playwright remains a genial master of comedy Through the laughter he allows his readers to see that all is not lost that there are virtues worth fighting for and that there are still courageous Don Quixotes worthy of the title hero Crockett contends that as a theorist of the modern German stage Durrenmatt challenges Bertolt Brecht and offers alternatives As a craftsman of prose fiction he fashions the stout thread with which the readers enter his labyrinths and eventually find their way back out while his literary Theseuses clinging to gossamer strands sometimes fall prey to the monster in the maze
