Vive La Protection Sociale:

, *Elites, Policies and State Reconfiguration* William Genieys, Mohammad-Saïd Darviche, 2023-11-09 This book examines the history of the French welfare state from the mid twentieth century to the present day The French social security system has changed profoundly over the last few decades The Bismarkian model of governance and social protection inherited from the Second World War has progressively faded away in favor of a reinforcement of the state s capacity to intervene on policies and the implementation of national health insurance coverage In order to understand this major transformation this book draws on rich original sources to offer a historical and sociological perspective on elite policymakers and policy change In doing so it identifies correlations between the changing social backgrounds and career paths of elites in charge of social insurance policies since the 1940s and the development of health policy programs It will appeal to all those interested in public policy health policy social studies and French history and politics **Fiscal**

Sustainability of Health Systems Bridging Health and Finance Perspectives OECD, 2015-09-24 The health systems we enjoy today and expected medical advances in the future will be difficult to finance from public resources without major reforms Public health spending in OECD countries has grown rapidly over most of the last half century These spending increases have contributed to **Pour sauver l'emploi et la protection sociale : chefs d'entreprises et politique face au chômage** Daniel Fédou, 1997-01-01 T00:00:00+01:00 L auteur s attaque ici un sujet sensible les charges sociales S appuyant sur des analyses objectives sur sa propre exp rience de chef d entreprise et sa connaissance pratique des changes internationaux il parvient des conclusions qui contredisent totalement les pr ceptes de la pens e unique Copyright Electre

Contingency in a Sacred Law Baber Johansen, 2023-09-29 This book focuses on the Hanafite school of fiqh which originated in the eight century and is geographically the most widespread and numerically the most important representative of Muslim normativeness The fiqh consists of liturgical ethical and legal norms derived from the Islamic revelation The introduction outlines the main boundaries between fiqh and theology and follows the modern debate on the comparison between the fiqh and the secularized law of the modern Occident The core of the book is dedicated to the way in which the fiqh in the period between the 10th and the 12th centuries adapted to changing circumstances of urban and agricultural life chapters I and II to the way in which it marked off legal from ethical norms chapter III religious from legal status chapters IV to VI and legal propositions from religious judgment chapter VII The forms in which change of norms was made acceptable is discussed in chapter VIII The last chapter deals with an attempt of Shi i scholars in the Islamic Republic of Iran to answer new problems in old forms *Policy Innovation for Health* Ilona Kickbusch, 2008-12-15 The facts are hard to ignore rising rates of chronic disease epidemic obesity and diabetes a widening longevity gap between rich and poor health care reforms at odds with patient interests In response Policy Innovations for Health argues that a nation s well being mirrors the health of its citizens and calls not only for improvement in our health care systems but for a complete reconceptualization of health

and social policy starting with expanded interrelated roles for health care providers consumers and policymakers The long term strategies outlined in this book emphasize a stronger balance between public and individual health goals and collaborations between cost efficient streamlined medical care and innovative therapeutic research and technology values that have been traditionally been considered in conflict Examples are included of new care models and groundbreaking programs from Canada the EU and Australia that bring together the community consumer governmental and corporate sectors bridge the gaps between prevention health promotion and practice and improve core health determinants such as living conditions education and social supports These social political medical and technological advances assert the authors are crucial to meeting the challenges of the decades ahead Among the topics covered Health as a central economic and societal force New directions in the monitoring of health and well being Integrating Health in all Policies programs and how they can be implemented The democratization of health knowledge and the expanding role of patient participation Closing the financial divide in public health priority setting Policy Innovations for Health adds important new voices to the health care debate and its vision will inspire professionals in health policy health administration health economics and global health as well as graduate students planning to enter these rapidly changing fields EISS Yearbook 1980-1981 Part I / Annuaire EISS 1980-1981 Partie I Eiss,2013-06-29 The conference of our European Institute for social security was held from the 16th till the 19th of October 1980 in Peruggia As usual the theme of the Conference was the same of that of the preparatory Colloque held in Brussels in 1979 Social security reforms in Europe The reports of that Colloque were published as Part I I of the Yearbook 1978 1980 Part I of the Yearbook 1980 1981 contains the reports presented in Peruggia The reports are focussed on three items The financing of social security J P Launay Jan B M Pierik J rn Henrik Petersen and Guy Perrin The social benefits Bernd Schulte and Sven Guldberg and The organization of social security A J Ogus A Berenstein and Jef van Langendonck The Yearbook contains also two national reports M Magrez and Asbj rn Kj nstad not available to be included in Yearbook I I 1978 1980 Finally the Yearbook contains a report from Guy Perrin on the social security problems of migrant workers and the synthesis report of Pasquale Sandulli It s a pity that we could not include the report of Lucia Vitali Le prestazini per inval idita nel sistema ital iano di sicurezza sociale un anal isi economica and the report of the Region of Umbria since there was no English or French translation available The Institute once again wants to express its sincere gratitude to Pasquale Sandull i and his colleagues for the adequate way in which they organized the conference
