The Impact of Church Consultancy Ian G. Duncum, 2019-01-14 This book follows the

journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes. Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies. Theologies of church consultancy, church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies. Consultancy outcomes are examined in detail. This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church. Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy. This is a significant book for denominational leaders, theological lecturers, pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities. **Unexpected Love**

Julie Coleman, 2013. How would you characterize Jesus in his interactions with women? Gracious, Preachy, Aloof, Kind, Dismissive. *Unexpected Love* is an essential read for anyone eager to understand Jesus Christ's true heart for women. We ache for a satisfying relationship with him and crave his healing touch. So did the women of the first century. Each approached him with something they wanted. They left with more than they could have imagined. Writer and teacher Julie Coleman carefully walks the reader through the gospel narratives offering evidence of a perceptive Savior deeply concerned about the women he met. Through vivid descriptions, thoughtful questions and empowering applications she brings a fresh perspective to these sometimes puzzling stories. *Unexpected Love* offers a compelling vision of a Savior who meets us where we are and will take us where we need to go. Discover his passion for women. What you read will impact your own relationship with him. You will fall in love with the dynamic, beautiful and unexpectedly personal Jesus. *The Transformative Power of Small Groups*
