

SMELLY SOCKS

By Robert Munsch

1. Color the picture of the sock any way you like in any pattern you like.
2. The animals in this story had various strong reactions to the smell of Tina's socks. Write a sentence for each animal from the story describing what they did as a result of smelling the socks.**

** I have included two versions; one with lines and one without. Choose whatever would work best for the age kids you're working with. I've found that younger writers tend to write bigger when there's a large space to fill, so the lines help keep that in check.
