Dawson, 2017-07-11 Eschatology the study of last things is concerned with time Futurists believe that much of eschatology is still future Because of the imminence statements in the gospels and epistles preterists including the author believe all of the last things the return of Christ the judgment and the resurrection were all fulfilled in Jesus generation This volume deals with the importance of time to God and His faithfulness in fulfillment of prophecies concerning time Major topics discussed are the Olivet Discourse II Peter 3 and Paul s preaching and teaching on the resurrection One major section of this book deals with the afterlife Hell the Rich Man Lazarus and immortality Another deals with the faithless foundation of dispensational premillennialism A last collection of topics includes The Importance of the Old Testament to Christians Zionism and Frequently Asked Questions **Essays on Eschatology** Samuel G. Dawson, 2009-06-01 Eschatology the study of last things is concerned with time Futurists believe that much of eschatology is still future Because of the imminence statements in the gospels and epistles preterists including the author believe all of the last things the return of Christ the judgment and the resurrection were all fulfilled in Jesus generation This volume deals with the importance of time to God and His faithfulness in fulfillment of prophecies concerning time Major topics discussed are the Olivet Discourse II Peter 3 and Paul s preaching and teaching on the resurrection One major section of this book deals with the afterlife Hell the Rich Man Lazarus and immortality Another deals with the faithless foundation of dispensational premillennialism A last collection of topics includes The Importance of the Old Testament to Christians Zionism and Frequently Asked Questions **Essays on Eschatology Second Edition** Samuel Dawson, 2013-03-17 Eschatology the study of last things is concerned with time Futurists believe that much of eschatology is still future Because of the imminence statements in the gospels and epistles preterists including the author believe all of the last things the return of Christ the judgment and the resurrection were all fulfilled in Jesus generation This volume deals with the importance of time to God and His faithfulness in fulfillment of prophecies concerning time Major topics discussed are the Olivet Discourse II Peter 3 and Paul s preaching and teaching on the resurrection One major section of this book deals with the afterlife Hell the Rich Man Lazarus and immortality Another deals with the faithless foundation of dispensational premillennialism A last collection of topics includes The Importance of the Old Testament to Christians Zionism and Frequently Asked Questions *Making All Things New* Benjamin L. Gladd, Matthew S. Harmon, 2016-03-08 Many people think eschatology refers to events occurring at the end of history In this book two scholars with expertise in biblical eschatology argue that God s kingdom breaking into this world through Jesus Christ has inaugurated a new creation a reality that should shape pastoral leadership and be reflected in

the life and ministry of the church Brief and accessibly written this book articulates the practical implications of G K Beale s New Testament Biblical Theology and features an introductory chapter by Beale Each chapter concludes with practical suggestions and a list of books for further study **Last Things** Craig A. Loscalzo,Walter K. Price,2007 **Eschatology** Kenneth Burleson,2006 The Last Things George E. Ladd,2004-01-09 In recent years scriptural prophecies about the end times have become the subject of an increasing number of books Many of these however are popularized accounts containing little thoughtful biblical scholarship Yet the serious studies available are often too difficult for the average reader to understand George Eldon Ladd has endeavored to rectify this situation with a serious discussion of eschatology written for the layperson Two radically different interpretations of the relationship between the prophecies of the Old and New Testaments have been offered One view sees separate programs for Israel and the Christian church while the other recognizes progressive revelation and a unity of the Testaments Professor Ladd holds the latter position basing his doctrine of the last things on the conviction that our final word is to be found in New Testament reinterpretation of Old Testament prophecy Only as the prophecies are seen in the light of God s revelation through Christ can we clearly comprehend what they mean in relation to the end times **Eschatology: The Catholic Study of the Four Last Things** Matthew R. Plese,2015-02-04 Eschatology is the study of the end of life the end of time and the Final Coming of Christ In Eschatology Christian Theology focuses primarily on the Four Last Things that comprise its study They are Death Judgment Heaven and Hell In addition to these areas Mr Plese explores as part of the five part series on these topics Purgatory the place of temporary purification after death for souls that die in the state of grace i e are destined for Heaven but are not yet perfect and able to enter Heaven The Reader Must Understand Kent E. Brower,Mark W. Elliott,2013-11-05 The reader must understand is a more forceful translation of the words usually rendered let the reader understand in Mark 13 14 Translated this way this volume s title stresses the importance of eschatology for Bible readers and theologians Eschatology the study of the last things is central to New Testament studies and indeed is not without importance for the Old Testament The Bible s eschatology and its place in Christian theology must therefore be taken very seriously The essays in this volume most of which were presented at the Tyndale Fellowship Triennial Conference 1997 offer new and important ideas and analysis They cover five main areas biblical theology Old Testament New Testament Christian doctrine and practical theology and significant contributions are made in each area **Eschatology** Edward W. H. Vick,2012-11-07 In this first volume of the Participatory Study Series to deal with a doctrine rather than with a book of the Bible Dr Edward W H Vick tackles the very difficult subject of eschatology or last things This is not your usual outline of someone s idea of what will happen at the end of the world Instead this study guide will lead readers through a systematic study of how one comes to understand this topic systematically and thoroughly from a biblical and theological perspective Dr Vick also interacts with Christian history and with major doctrinal statements of various confessions as well as the quest for the historical Jesus How is one to understand

prophecy and apocalyptic What does it mean when Jesus says that this generation will not pass These questions receive a thorough treatment not to provide you with all the answers but instead to provide you with the tools to discover how you can find these answers Church small groups classes and individuals can all benefit from following this study **A Study of Last Things** Paul Cantrell,1974 *The Last Things* David Höhne,2019-06-25 In this final Contours of Christian Theology volume David H hne offers a trinitarian theological description of eschatology that is at once systematic generated from the theological interpretation of Scripture and yet sensitive to essential elements for Christian practice His reading of the Bible is shaped by the gospel informed by the history of Christian thought and dedicated to serving the church **Report of the Study Committee of Eschatology to the 1997 Annual Convention, Church of the Lutheran Brethren of America** Church of the Lutheran Brethren,1997 *The New Testament Doctrine of the 'Last Things'* Harold A. Guy,1948 **An Introduction to Eschatology** K.t.r.,2025-01-08 Eschatology is the study of last things more specifically what will happen in the end times the armageddon the final battle between good and evil Though it has already been decided there are some aspects debated among believers to how events will play out This introduction to eschatology is an overview of the most common understandings and beliefs about the end times **The Oxford Handbook of Eschatology** Jerry L. Walls Professor of Philosophy of Religion Asbury Theological Seminary,2007-10-31 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thoughtfrom the early Church fathers through the Middle Ages and the Reformationthese issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the worlds most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence **The New Testament Doctrine of the 'Last Things'** Harold A. Guy,1948

Biblical Eschatology - The Future Revealed Luiz Tozzo,2023-07-14 We have reached the end of this fascinating journey through the study of biblical eschatology in which we seek to unravel the truths and mysteries that surround the future revealed by God in His Word Throughout this book we explore the fundamental themes related to the end times from the signs of the times to the Last Judgment and eternity In this book we seek to understand that eschatology is not just a

theoretical field of study but a vital part of our Christian faith As we examine biblical prophecies about the future we are reminded of the hope we have in Jesus Christ who is the Alpha and Omega the beginning and the end Throughout these pages we delve into the promise of the glorious coming of Jesus Christ which fills us with hope and comfort We recognize that His second coming will bring about the final fulfillment of God s promises restoring creation establishing His kingdom and bringing about perfect justice We also contemplate the reality of the Last Judgment where each person will be judged according to their works and where God s justice will be fully established We recognize that in the face of this judgment we are challenged to seek God s grace and mercy to repent of our sins and to live in accordance with his will As we conclude this book we are reminded of the importance of living with the awareness that the future is in God s hands Although eschatological issues can awaken debates and diverse interpretations it is essential that we remain humble and willing to seek the truth revealed in the Scriptures trusting that God has control of all things May this book be a source of knowledge reflection and edification for you dear reader May he awaken in your heart a renewed expectation of the coming of Jesus and a dedication to living according to the principles of the Kingdom of God Biblical eschatology invites us to live with an eye toward the future but it also challenges us to live relevantly and faithfully in the present May we as believers persevere in faith share the gospel boldly and live in constant expectation of the final manifestation of the Kingdom of God May the grace of our Lord Jesus Christ be with you strengthening you in your journey of faith and may the Holy Spirit guide and enlighten you to understand more and more the mysteries of the revealed future May we together look forward with hope to the final consummation of all things and the fullness of fellowship with our God *The New Doctrine of the "last Things"* Harold A.
