Outdoor Approach for Early Years Juliet Robertson offers a rich resource of ideas that will inspire you to tap into the endless
supply of patterns textures colours and quantities of the outdoors and deepen children s understanding of maths through
hands on experience Juliet believes being outside makes maths real In the classroom environment maths can seem
disconnected from everyday reality but real maths is really messy Lots of outdoor play and engaging activity along the way is
a must as being outside enables connections to be made between the hands heart and head and lays the foundations for more
complex work as children grow develop and learn Following on from the success of Dirty Teaching ISBN 978 178135107 9
Messy Maths reimagines the outdoor space through a mathematical lens providing a treasure trove of suggestions that will
empower you to blend outdoor learning into your teaching practice It is not a how to guide but rather an easy to use
reference book replete with ready to use games and open ended ideas designed to help children become confident and skilled
in thinking about using and exploring abstract mathematical concepts as they play outside Many of these ideas and activities
are also beautifully displayed in full colour photographs throughout the book making it even easier to jump straight into
outstanding outdoor learning opportunities Topics covered include general advice exploring numbers number functions and
fractions money measurement time pattern shape and symmetry position direction and movement data handling routines and
the mathematical garden Each chapter features a section on topic specific vocabulary and expressions to help you integrate
terminology into each area of study while suggestions for embedding maths into routines are also provided to assist in the
development of creative progressive and flexible approaches to everyday situations Messy Maths is suitable for early years
educators of ages 3 to 6 who want to shake up their usual classroom practice and make the most of any outdoor space
whether this be a nursery playgroup child minder s back garden or a nature kindergarten as a context for maths Messy
