State Of The Worlds Children Report 2005:

The State of the World's Children 2007 UNICEF.,2006 The State of the World s Children 2007 reports on the lives of women around the world because gender equality and the well being of children go hand in hand When women are empowered to live full and productive lives children prosper and UNICEF s experience also shows the opposite When women are denied equal opportunity within a society children suffer The report is divided into five sections a call for equality equality in the household equality in employment equality in politics and government reaping the double dividend of gender equality

The State of the World's Children 2009 UNICEF.,2008 Having a child remains one of the biggest health risks for women worldwide Fifteen hundred women die every day while giving birth That s a half a million mothers every year UNICEF s flagship publication The State of the World s Children 2009 addresses maternal mortality one of the most intractable problems for development work The difference in pregnancy risk between women in developing countries and their peers in the industrialised world is often termed the greatest health divide in the world A woman in Niger has a one in seven chance of dying during the course of her lifetime from complications during pregnancy or delivery That s in stark contrast to the risk for mothers in America where it s one in 4 800 or in Ireland where it s just one in 48 000 Addressing that gap is a multidisciplinary challenge requiring an emphasis on education human resources community involvement and social equality At a minimum women must be guaranteed antenatal care skilled birth attendants and emergency obstetrics and postpartum care These essential interventions will only be guaranteed within the context of improved education and the abolition of discrimination

The State of the World's Children 2011 ,2011-02 The State of the World s Children 2011 Adolescence An Age of Opportunity examines the global state of adolescents outlines the challenges they face in health education protection and participation and explores the risks and vulnerabilities of this pivotal stage The report highlights the singular opportunities that adolescence offers both for adolescents themselves and for the societies they live in The accumulated evidence demonstrates that investing in adolescents second decade is our best hope of breaking the intergenerational cycle of poverty and inequity and of laying the foundation for a more peaceful tolerant and equitable world

The State of the World's Children 2008 UNICEF.,2007 The 2008 report examines the state of child survival and primary health care for children with a strong emphasis on trends in child mortality

Sustainable Development in Crisis Conditions Phillip J. Cooper,Claudia María Vargas,2008 Sustainable Development in Crisis Conditions takes a broad based and integrative approach to exploring nation building and reconstruction in the wake of environmentally destructive warfare

State of the World's Children UNICEF.,2009 On 20 November 2009 the global community celebrates the 20th anniversary of the adoption by the United Nations General Assembly of the Convention on the Rights of the Child the unique document that sets international standards for the care treatment and protection of all individuals below age 18 To celebrate this landmark the United Nations Children s Fund is dedicating a special edition of its flagship report The State of the World

s Children to examining the Convention's evolution progress achieved on child rights challenges remaining and actions to be taken to ensure that its promise becomes a reality for all children *The State of the World's Children 2005* Carol Bellamy, 2004 The 2005 edition of UNICEF's annual report examines the key issues which threaten the welfare of children around the world using the concept of childhood as the state and condition of a child's life The Convention of the Rights of the Child adopted in 1989 offers a new definition of childhood based on human rights yet for hundreds of millions of children the promise of childhood is threatened by poverty armed conflict and HIV AIDS threaten their survival and development The report examines these three major threats in detail and offers a comprehensive agenda of action to combat them It concludes by calling on all stakeholders including governments donors international agencies and communities to reaffirm and recommit to their moral and legal responsibilities to children *State of the World's Children 2013* UNICEF, United Nations, 2013 One in every seven children is disabled Children with disabilities are among the most likely to be marginalized poor and vulnerable UNICEF is committed to improving the lives of children particularly those who face the greatest disadvantages The report will investigate the web of barriers disabled children face discrimination harmful norms and the lack of accurate information The report will analyse and provide good practice guidance on inclusive health and education prevention nutrition protection from violence exploitation and abuse emergency response institutionalization and the role of appropriate technology and infrastructure *Human Development Report 2005* United Nations Development Programme, 2005 The Human Development Report 2005 examines the scale of the challenge facing the world at the start of the ten year countdown to the 2015 Millennium Development Goals mark The Report focuses on three pillars of cooperation each of which is in urgent need of renovation The first pillar is international aid the Millennium Development Goals MDGs project has been compromised by chronic and sustained under financing allied to problems in aid quality The second pillar is international trade Under the right conditions trade can act as a powerful catalyst for human development The development round of World Trade Organization talks launched in 2001 provided northern governments with an opportunity to create those conditions The third pillar is that of security violent conflict is a source of systematic human rights violation and a barrier to progress towards the MDGs that must be overcome **21st Century Management: A Reference Handbook** Charles Wankel, 2008 Ordered as part of a set on ID 7574134 [The Greenwood Encyclopedia of Children's Issues Worldwide](#) Irving Epstein, 2007-12-30 From the skyrocketing AIDS rate in Haiti to the oppressive pollution in industrial China from the violent street culture of Nigeria to the crippling poverty in Nicaragua from child trafficking in Thailand to child marriages in India this jam packed six volume set explores all these issues and more in an unprecedented look at the world's children at the dawn of the 21st century In recent years while many countries have enjoyed a higher standard of living and improved working conditions others have been torn apart by war and incapacitated by famine and are struggling to improve life for their children and their future Recent concern over the world's children has resulted in a global attempt to define

what constitutes an acceptable childhood New attention has been paid not only to healthcare and secondary education but also to the right to play and increased access to technology The UN s codification of children s rights has done much to expand our understanding of what is needed for healthy growth and development of children and youth Organized by region The Greenwood Encyclopedia of Children s Issues Worldwide is the first globally focused set of this magnitude offering extensive up to date coverage of these critical issues Original chapters accessibly synthesize current data on key topics including education play and recreation child labor family health laws and legal status religious life abuse and neglect and growing up in the 21st century International Social Work Lynne Healy,2008-03-28 Written by the director of the countrys first center for international social work studies the original edition of this book set the stage for recent years exponential increase of interest in international issues for social workers This second edition is a thorough revision of that definitive text and it expands on the sections most valuable to teachers adds evocative photos from the authors own collection and provides a wealth of new information to bring the book up to the minute in usefulness A comprehensive treatment of international social work the book emphasizes global interdependence and professional action themes that provide the context for an engaging examination of social work issues in a global perspective The books four sections introduce major concepts and issues in international social work review the global history of the social work profession as a whole discuss global ethics practice and policy and values and look ahead to the bright future of international exchange and development From direct service to policy and administration International Social Work provides a thorough overview of the international dimensions of social work practice and is sure to remain the essential text for all social work students and practitioners providing a sound foundation for future academic and career exploration **Dimensions of Human Behavior** Elizabeth D.
