The Video Games Guide is the world's most comprehensive reference book on computer and video games. Presented in an A to Z format, this greatly expanded new edition spans fifty years of game design from the very earliest 1962's Spacewar through the present day releases on the PlayStation 3, Xbox 360, Wii, and PC. Each game entry includes the year of release, the hardware it was released on, the name of the developer/publisher, a one to five star quality rating, and a descriptive review which offers fascinating nuggets of trivia, historical notes, cross-referencing with other titles, information on each game's sequels, and of course the author's views and insights into the game. In addition to the main entries and reviews, a full color gallery provides a visual timeline of gaming through the decades, and several appendices help to place nearly 3,000 games in context. Appendices include a chronology of gaming software and hardware, a list of game designers showing their main titles, results of annual video game awards, notes on sourcing video games, and a glossary of gaming terms.

Leadership

Matters Thomas E. Cronin, Michael A. Genovese, 2015-11-17. Some leaders fundamentally alter the status quo whilst others guide quietly. Most leadership books emphasise specific rules, but Tom Cronin and Michael Genovese see leadership as filled with paradox. Leadership Matters offers a different view of leadership, one that builds community and responds creatively to new situations. Cronin and Genovese argue that leadership is about more than just charisma and setting leaders on to a different path to unleash the power of paradox.

The Warrior King Chris Bunch, 2012-09-01. The Seer King's mighty empire of Numantia has become a living nightmare, especially to the loyal general who helped the wizard Tenedos to power. The wizard has returned to command hellish demons in his drive for absolute power. Only Damastes, imprisoned and exiled, can forge an army against Tenedos. Only Damastes can lead the forces of light into battle against the darkness that threatens Numantia in the final conflict between one-time allies now turned deadly enemies.

The Warrior King Leah Ross, 2022-01-04. Oron didn't want to rule Sehaann. But now he's leading his nation to war for its very existence. He fights for his people's safety for a peaceful future, for freedom from the tyranny trying to eliminate him. Heritage has plagued his life, and now that legacy hangs on the edge of oblivion. No matter how he got here, he can't let it fall. Because failure means the end of everything he loves. Caught between obligation and duty, treachery and redemption, Sanjay is powerless to stop the machinations dragging him into war on the wrong side of the battlefield. He can't fathom opposing his knightly brethren, but when he's forced to face Oron from the enemy lines, all of his worst nightmares suddenly become reality. Destroy Oron and the knights of Sehaann, or sacrifice all he holds dear. Either choice means Sanjay loses. The persistent rage simmering in Kyren's soul is now a demon threatening to consume him. Everywhere he turns, the consequences of his failure torment and remind him of how unworthy he is of his elite status. He's a liability to those he's sworn to protect and jeopardizes Oron's battle plans at the worst possible moment. If he can't control his seething vengeance, he'll lose much more than his position. He'll take the world down with him.

All William wants is to protect his family The ones he loves are worth everything to him so he extends his power beyond known limits to help Oron and his army succeed What he achieves is beyond anyone s expectation but it s more than even an immortal winged warrior can withstand With godlike energy at his fingertips he can alter reality to his whim If he doesn t obliterate it first Overwhelmed and under siege Taj can barely provide for his own community when refugees start arriving from around the country As casualties mount his leadership and therapeutic skills are stretched to the brink But nothing prepares him for the horror of battle where seconds mean the difference between life and death Not even a gifted healer can save everyone And sometimes seconds are a luxury that no one can afford In the ultimate battle for Sehaann s survival honor will be tested loyalty will be shattered sacrifices will be made and no one will emerge unscathed Everyone s spent a lifetime giving all they have to fight for what they believe in Now is when they find out if it s enough This work is intended for a mature audience and contains mature content For a more comprehensive list of content tags please see this book s information page at the author s website Keywords mm romance sword sorcery magic quest alternate universe AU knight romance royal romance mm fantasy romance gay fantasy romance
