Case Studies in Sexual Deviance William T.

O'Donohue,2013-10-08 The assessment and treatment of sexual deviance can be very difficult tasks and it can be hard to find mentors to provide initial skills training and help in navigating the many complexities of a particular case This book presents a series of case studies from international experts in the field that depict the evidence based assessment and treatment of a variety of paraphilias Intended as learning tools readers can use as models and from which they can gain insight these case studies are offered as exemplars of clinical problem solving The authors of each chapter provide research evidence that justifies treatment decisions explain their assessment strategies and case formulations and provide information about how to navigate common problems a clinician will encounter such as denial poor motivation and co morbid problems A variety of assessment instruments and treatment strategies are also illustrated Both new and experienced clinicians will find this book to be an invaluable resource in their own work

Prison by Any Other Name Maya Schenwar,Victoria Law,2021-09-07 With a new afterword from the authors the critically praised indictment of widely embraced alternatives to incarceration But what does it mean really to celebrate reforms that convert your home into your prison Michelle Alexander from the foreword Electronic monitoring Locked down drug treatment centers House arrest Mandated psychiatric treatment Data driven surveillance Extended probation These are some of the key alternatives held up as cost effective substitutes for jails and prisons But in a searing cogent critique Library Journal Maya Schenwar and Victoria Law reveal that many of these so called reforms actually weave in new strands of punishment and control bringing new populations who would not otherwise have been subject to imprisonment under physical control by the state Whether readers are seasoned abolitionists or are newly interested in sensible alternatives to retrograde policing and criminal justice policies and approaches this highly praised book offers a wealth of critical insights that will help readers tread carefully through the dizzying terrain of a world turned upside down and make sense of what should take the place of mass incarceration The Brooklyn Rail With a foreword by Michelle Alexander Prison by Any Other Name exposes how a kinder narrative of reform is effectively obscuring an agenda of social control challenging us to question the ways we replicate the status quo when pursuing change and offering a bolder vision for truly alternative justice practices

Sex Crimes and Offenders Mary Clifford,Alison Feigh,2022-05-02 For decades and in some cases centuries individuals families and friends of victims sought out ways to help heal the hurts caused by sexual abuse and implement some way to protect against future harms The recent very public conversations about victims standing up to perpetrators has expanded the reach and public platform of sexual violence prevention efforts in critical ways What might appear a relatively simple task on the surface to define healthy and harmful sexual practices inevitably raises even more questions When the questions and answers are framed and defined through historical cultural social and individual lenses solutions may seldom be simple Structured in five parts Sex Crimes and Offenders Exploring Questions of Character and Culture uses healthy sexuality as a back drop for exploring the complicated issue of identifying and punishing

sex crimes defining the parameters of sexualized violence and sexual violence prevention The goal is to prevent harm address hurts hold perpetrators accountable and eventually eliminate to the degree possible all future harms The information presented explores individual treatment efforts as well as the social and political responses designed to hold perpetrators accountable and help support victims Essential resources made visible throughout this text are provided to help inform young people families faith communities and future practitioners to raise important reflective questions and to serve as a resource for anyone of any age who has suffered harm or perpetrated harm and is in need of support and healing Finally the book concludes by shining a light on the efforts each of us can take to identify reduce and work toward eliminating sexual violence and harms Additional resources for Instructors including PowerPoint Lecture Notes and Test Banks are provided
