Strauss's Handbook of Business Information Hal P. Kirkwood, 2020-08-24 This new edition of Strauss's guide helps users to find current information for and about businesses of all kinds both private and public U S based and international related to finance

investment industries and entrepreneurship Strauss's Handbook of Business Information is a resource for finding and understanding business information. It contains explanation and instruction on the key facets of business information and provides detailed descriptions of key resources within both broad and specific categories. It can be used as a guide to further understanding the what, how, and why of business information research. The changing arena of business information requires regular updating and awareness. This new edition has been thoroughly updated with three new chapters: Entrepreneurship, Competitive Intelligence, and Corporate Social Responsibility. Other additions of note include subsections on internet and mobile marketing and tax havens and related issues, coverage of new legislation (e.g., Dodd-Frank) and subsections on index funds, investment communities, regulatory bodies and laws, hedge funds, venture capital companies, assessing risks, robo-advisors, and more. The Handbook is for students, faculty, librarians, and information professionals looking to gain a broader and deeper understanding of business information. Anyone needing to gain quick exposure to business information needs and resources for solutions will benefit from the volume as well.

The John C. Bogle Reader John C. Bogle, 2012-06-15 John Bogle's most influential investment books available together for the first time. John C. Bogle, the founder of Vanguard, a trillion-dollar investment management company, is one of the most respected authors in the financial world. Now, for the first time, The John C. Bogle Reader brings together three of his bestselling books in one definitive collection. Don't Count on It presents Bogle's unique insights into the world of mutual fund investing and the mutual fund industry. Common Sense on Mutual Funds addresses how the mutual fund industry has changed over the past twenty years and how best to arrange and manage funds in today's world. The Little Book of Common Sense Investing recommends a simple, time-tested investment strategy sure to deliver the greatest return to the greatest number of investors. Essential reading for investors everywhere. The John C. Bogle Reader brings together the life-changing works of mutual fund pioneer John Bogle in one comprehensive anthology.

Working Longer Alicia H. Munnell, Steven A. Sass, 2009-10-01 Daily headlines warn American workers that their retirement years may be far from golden. The main components of the retirement income system—Social Security and employer-provided pensions and health insurance—are in decline, while the amount of income needed for a comfortable retirement continues to rise. In *Working Longer*, Alicia Munnell and Steven Sass suggest a simple solution to this problem: postponing retirement by two to four years. By following their advice, the average worker retiring in 2030 can be as well off as today's retirees. Implementing this solution on a national scale, however, may not be simple. *Working Longer* investigates the prospects for moving the average retirement age from 63 (the current figure) to 66. Munnell and Sass ask whether future generations will be healthy enough to work beyond the current retirement age and whether older men and women want to work. They examine companies' incentives to employ older workers and ask what government can do to promote continued participation in the workforce. Finally, they consider the challenge of ensuring a secure retirement for low-wage workers and those who are unable to continue to work. The retirement system faces very real challenges. But together, workers, employers,

and the government can keep this vital piece of the American dream alive

Celebrating the Single Life David Yount, 2009-02-24 American society is no longer defined by marriage Today an increasing majority of American households are headed by single men and women Even those Americans who do marry spend at least half of their adult lives alone Living on one's own presents unique challenges depending on one's age health and circumstances So the script for successful single living calls for different strategies for young adults the recently divorced single parents and those widowed or experiencing single life in later adulthood Here Dr Yount considers each group's special needs and challenges and offers a guide for leading a productive rewarding and fulfilling single life Single living he contends requires some core abilities overcoming loneliness reaching out to others developing faith in oneself and self respect keeping up with daily activities and maintaining good health security and a sense of humor This book helps readers learn to celebrate their single status and to find contentment and peace while living on their own These days if you are unmarried and pining for romance you are in a small minority Until recently most Americans considered single life to be a temporary situation during which one would simply wait for a soul mate to come along Those who remained unwed were pitied as bachelors and spinsters No longer These days most single men and women find autonomy in negotiating their way through life by relying on their own resources with marriage remaining one option but not an imperative Even those who do marry are getting married later and those who divorce or are widowed often choose to stay single With this trend toward singlehood increasing affirming the single life and making a success of it becomes all the more important Yount offers advice for creating a gratifying and happy single life at any stage and provides insight into those things that can contribute to a satisfying single lifestyle He pinpoints areas that often get ignored by singles and proposes solutions to some of the pitfalls that can lead to loneliness or unhappiness Leading a fulfilling single life is not only possible it can in fact be rewarding in itself and Yount shows readers how to lead productive and creative lives as modern singles

50+ William D. Novelli, 2006-10-03 Calling for the unification of retirees 50 is an uplifting and inspirational rallying cry for Americans age 50 and over by the head of the AARP
