*While war may be necessary, it is also wicked.

15. The protagonist in "The Sniper" is a soldier in a civil war. Using the context of events in the story, discuss how a reader may view him: as a combatant who is forced to participate in the conflict as he is performing a duty for his country; as an enthusiastic supporter of a cause who desires to fight for his beliefs; as a sniper who wants to protect his country and destroy those who oppose his views; or as a young man who is too young to protect his country's policies and is impatient with his actions.
