

## DRESS UNIFORM

Dress uniforms were worn during diplomatic functions, or other ceremonies, such as weddings. This type of uniform consisted of a tailored three-quarter-length jacket and black pants. The jacket had gold braiding along the neck and where it fastened.

As with the standard clothing, the dress uniforms came in all the department colors.

## DRESS UNIFORM

This version of the dress uniform introduced rank insignia to the right shoulder and the gold braid no longer extended below the black material that covered the shoulders from the yoke upwards.

Leggings have given way to standard pants and boots.

## DRESS UNIFORM

The dress uniform also underwent a few minor modifications during this period. The braid now finished at the top of the thigh, whereas before it stretched down to the knee, and the gold braiding that used to run down one side of the jacket was removed.

The dress uniform retained its tailored appearance, but the jacket became slightly shorter.
