George III, 2006-09-01 David R George s Crucible Trilogy explores the legacy of one pivotal crucial moment in the lives of the men at the heart of Star Trek what led them to it and to each other and how their destinies were intertwined For Doctor Leonard McCoy life takes two paradoxically divergent paths In one displaced in time he saves a woman from dying in a traffice accident and in doing so alters Earth s history Stranded in the past he struggles to find a way back to his own century But living an existence he was not meant to he will eventually have to move on and ultimately face the shadows born of his lost life In the other he is prevented from saving the woman s life allowing Earth s history to remain unchanged Returning to the present he is nonetheless haunted by the echoes of an existence he never lived and by fears which will bring him full circle to the shadows he never faced **Dreams of the Raven** Carmen Carter, 2000-09-22 Dreams Of The Raven A merchant ship s frantic S O S sends the U S S Enterprise speeding to the rescue But the starships mission of mercy soon becomes a desperate struggle for survival against a nightmarish enemy Captain Kirk can neither identify nor understand an enemy he must defeat without the aid of one of his most trusted officers For the Leonard McCoy Kirk knew is gone In his place stands a stranger a man with no memory of his Starfleet career his family his friends or the one thing James T Kirk
