Fain, Lois J.

Zachary, 2020-02-26 This first comprehensive guide to helping mentors and mentees bridge gaps between and among cultures a growing issue in today's diverse workplace is coauthored by the founder and CEO of the Center for Mentoring Excellence As the workplace has become more diverse mentoring has become more challenging Mentors and mentees may come from very different backgrounds and have limited understanding of each other's cultures and outlooks But mentoring remains the most powerful tool for creating meaningful relationships furthering professional development and increasing engagement and retention Younger workers and emerging leaders in particular are demanding it Lisa Z Fain and Lois J Zachary offer a timely evidence based practical guide for helping mentors develop the level of cultural competency needed to

bridge differences. Firmly rooted in Zachary's well-known four-part mentoring model, the book uses three fictional scenarios featuring three pairs of diverse mentors and mentees to illustrate how key concepts can play out in real life. It offers an array of accessible tools and strategies designed to help you increase your self-awareness and prepare you to embrace and leverage differences in your mentoring relationships. But beyond tips and techniques, Fain and Zachary emphasize that authenticity is the key. The ultimate purpose of this book is to help the mentor and mentee make a genuine connection and learn from each other. That's when the magic really happens. Maxwell, 2020-01-28. What is the greatest return on a leader's time? After leaders have invested in their own leadership growth, what is the best way to accomplish their vision and grow their organizations and teams? Develop leaders. The more leaders an organization has, and the better equipped they are to lead, the more successful the organization and all of its leaders. In this new workbook, based on the title of the same name, number one New York Times bestselling author John C. Maxwell takes the process of developing leaders to the next level by relating some of the key principles he has learned over the last quarter century as his organizations have developed millions of business, government, and non-profit leaders from every country around the world. He instructs leaders how to: Recognize potential leaders, Attract leaders by creating a leadership pipeline, Work themselves out of a job by equipping and empowering leaders, Position leaders to build a winning team, Coach leaders to higher levels and make them leadership developers themselves. This is where leaders really experience the compounding value of developing leaders and go to the highest levels of leadership themselves. *The Leader's Greatest Return Workbook* walks you through the process and helps you create a roadmap for success. Anyone who wants to take the next step in their leadership, build their organization or team today, and create their legacy for tomorrow needs to read *The Leader's Greatest Return*. Also available as a trade book: *The Ultimate Guide to Developing Leaders* John C. Maxwell, 2023-10-10.

What is the secret sauce for every kind of organization? What is the secret to organizational success? Whether the goal is developing a new product, establishing a new location, launching a new initiative, starting a new team, or improving your existing one, what will determine its success? The leaders. For any team, small business, large corporation, non-profit organization, or government entity, the key to accomplishing today's goals and achieving tomorrow's success depends on its present and future leaders. Few people know more about developing leaders than John C. Maxwell, the bestselling leadership author in history. In the last twenty-five years, he has grown from equipping a handful of leaders in one organization to developing millions of business, government, and non-profit leaders in every country around the world. In *The Ultimate Guide to Developing Leaders*, Maxwell teaches everything leaders need to know about how to develop leaders in their team or organization. Readers will learn how to: Become developers of people, Identify people with leadership potential, Recruit, train, and motivate emerging leaders, Empower new leaders to lead, Coach new and existing leaders to higher levels of achievement, Teach their leaders how to develop other leaders. Anyone frustrated by leadership limitations in their organization needs to
