dancers Ever since Charles Lindbergh flew across the Atlantic solo the entire world has gone nuts over flying But everyone agrees that the stunt pilots take the cake Jenny Flynn defies the odds and conventions in her pursuit of the sky She attracts the attention of Laura Bailey a brash reporter crashing through her own glass ceiling at a New York City newspaper Laura chases the pilot's story and the truth about her own mysterious father on a barnstorming escapade from Manhattan to the Midwest Flying Jenny offers a vivid portrait of an earlier time when airplanes drew swarming crowds entranced by the pioneers male and female of flight Finalist for the Oklahoma Book Awards Fiction A romp through the early days of women's aviation history Debutante pilot Jenny Flynn and cub reporter Laura Bailey carry the spunk of Thelma Louise to new heights as they fight for space in the cockpit and the city room Janet Groth author of *The Receptionist* An Education at The New Yorker Tuohy uses both Jenny and Laura to explore gender roles in the late 1920s and how two young women push their own boundaries as well as the society around them Historical Novels Review

The Anger Meridian Kaylie Jones, 2015-06-15 A young widow must face the truth about her family and herself At once a suspenseful mystery and a superlatively gripping story of self discovery Shelf Awareness When Merryn Huntley is told by Dallas police that her wealthy husband has been killed in a car accident along with a local waitress her first instinct is to flee in order to protect her nine year old daughter And the only place that feels safe enough is her mother's beautiful isolated home in San Miguel de Allende Mexico Merryn's mother used to tell her When you tell a lie make sure you keep it as close to the truth as possible because it will be easier to remember Now from the moment Merryn arrives she's forced into twisting the truth about how much she knew of her husband's shady business affairs about her own secret lovers and most importantly about how she is beginning to doubt the one person who's always been the greatest influence in her life her mother When two FBI agents show up and ask Merryn questions it only intensifies her compulsion to lie But as her perfect life begins to crumble she must decide whether she can face the most painful reality of all that she has been lying to herself her entire life A compulsively readable novel With engaging characters a compelling story and a seductive sense of place this is a literary treat Booklist This fascinating novel bases its mystery not so much on unfolding events although these are well paced but instead on how a person can live a life parallel to the truth based on an ever shifting set of lies and misrepresentations There's real danger in remaking the truth to avoid conflict and that is never more apparent than in this well crafted book Reviewing the Evidence A seething portrait of a narcissistic mother Jones keeps the action churning but perhaps the novel's greatest feat is Bibi an all too real toxic monster Publishers Weekly An impossible to put down book Ann Hood
