The Reading Teacher's Book of Lists Jacqueline E. Kress, Edward B. Fry, 2015-10-26
 The essential handbook for reading teachers, now aligned with the Common Core. The Reading Teacher's Book of Lists is the definitive instructional resource for anyone who teaches reading or works in a K-12 English language arts-related field. Newly revised and ready for instant application, this top seller provides up-to-date reading, writing, and language content in more than 240 lists for developing targeted instruction, plus section briefs linking content to research-based teaching practices. This new sixth edition includes a guide that maps the lists to specific Common Core standards for easy lesson planning and features fifty brand-new lists on academic and domain-specific vocabulary, foundation skills, rhyming words, second language development, context clues, and more. This edition also includes an expanded writing section that covers registers, signal and transition words, and writers' craft. Brimming with practical examples, key words, teaching ideas, and activities that can be used as is or adapted to students' needs, these lists are ready to differentiate instruction for an individual student, small group, or planning multilevel instruction for your whole class. Reading is the center of all school curricula due to recent state and federal initiatives, including rigorous standards and new assessments. This book allows you to skip years of curating content and dive right into the classroom armed with smart, relevant, and effective plans. Develop focused learning materials quickly and easily. Create unit-specific Common Core-aligned lesson plans. Link classroom practice to key research in reading, language arts, and learning. Adapt ready-made ideas to any classroom or level. It's more important than ever for students to have access to quality literacy instruction. Timely, up-to-date, and distinctively smart, The Reading Teacher's Book of Lists should be on every English language arts teacher's desk, librarian's shelf, literacy coach's resource list, and reading professor's radar.

New Teachers in Urban Schools: Journeys Toward Social Equity Teaching Althier M. Lazar, Leslie M. Reich, 2016-03-07
 This volume informs the reader about new teachers in urban underserved schools and their development as teachers for social equity. The accounts of five novice teachers who grew up outside the communities in which they teach lead to chapters that contain advice for teacher educators, future and current teachers, and school leaders. These early-career teachers learned much about bridging the cultural divide between themselves and their students confronted and resolved big

challenges that may immobilize some who set out to teach in these communities They brought to their classrooms strong social justice orientations including a moral imperative to make a difference in the world an awareness of social and educational inequalities and a strong sense of responsibility to positively influence the life trajectories of students in their charge Their narratives offer insights on the dispositions and contexts that will help early career teachers survive and thrive and make a difference in their students lives
