Terry Pratchett, 2024-07-30 Start with Douglas Adams's comic science fiction *A Hitchhiker's Guide to the Galaxy* and J R R Tolkien's alternative worlds mix in James Ellroy's gritty realism and Jonathan Swift's unflinching satire and if you're lucky you'll get something like Terry Pratchett's *Thud* Wall Street Journal City Watch Commander Sam Vimes must solve the murder of a prominent dwarf or watch as Discworld is plunged into a bloody civil war in Terry Pratchett's delightful Discworld satire a brilliant tale of prejudice ancient feuds and tender fatherhood Long long ago in a god's forsaken hellhole called Koom Valley trolls and dwarfs met in bloody combat Centuries later each side still views the other with simmering animosity that has been heightened of late because of one Grag Hamcrusher The influential dwarf has been fomenting unrest among a section of Ankh Morpork's citizenry a volatile situation made far worse when the petite provocateur is discovered bashed to death with a troll club lying conveniently nearby If he doesn't solve the murder of just one dwarf Commander Sam Vimes of Ankh Morpork City Watch is going to see it fought again right outside his office But more than one corpse is waiting for Vimes in the eerie summoning darkness of a labyrinthine mine network being secretly excavated beneath Ankh Morpork's streets With war drums beating ever louder Vimes must unravel every clue outwit every assassin and brave any darkness to find the solution And the darkness is following him pulling him deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself Until six o'clock every day when without fail the Commander goes home to read *Where's My Cow* with accompanying farmyard noises to his little boy Because there are some things you must do The Discworld novels can be read in any order but *Thud* is the 7th book in the City Watch collection and the 34th Discworld book The City Watch collection in order *Guards Guards Men at Arms Feet of Clay Jingo The Fifth Elephant Night Watch Thud Snuff* *Nation* Terry Pratchett, 2008-09-30 The sea has taken everything Mau is the only one left after a giant wave sweeps his island village away But when much is taken something is returned and somewhere in the jungle Daphne a girl from the other side of the globe is the sole survivor of a ship destroyed by the same wave Together the two confront the aftermath of catastrophe Drawn by the smoke of Mau and Daphne's sheltering fire other refugees slowly arrive children without parents mothers without babies husbands without wives all of them hungry and all of them frightened As Mau and Daphne struggle to keep the small band safe and fed they defy ancestral spirits challenge death himself and uncover a long hidden secret that literally turns the world upside down Internationally revered storyteller Terry Pratchett presents a breathtaking adventure of survival and discovery and of the courage required to forge new beliefs The Illustrated Wee Free Men Terry Pratchett, 2008-09-30 Featuring full color art special foldouts and all new material by the author this lavish gift edition is a

must have for all fans of Pratchett and the Wee Free Men **Thud!** Terry Pratchett, 2018-12-25 Some people would be asking whose side are you on If you re not for us you re against us Huh If you re not an apple you re a banana Koom Valley where the trolls ambushed the dwarfs or the dwarfs ambushed the trolls was a long time ago But if he doesn t solve the murder of just one dwarf Commander Sam Vimes of Ankh Morpork City Watch is going to see it fought again right outside his office With his beloved Watch crumbling around him and war drums sounding he must unravel every clue outwit every assassin and brave any darkness to find the solution And darkness is following him Oh and at six o clock every day without fail with no excuses he must go home to read Where s My Cow with all the right farmyard noises to his little boy There are some things you have to do **The Last Continent** Terry Pratchett, 2009-10-13 If you are unfamiliar with Pratchett s unique blend of philosophical badinage interspersed with slapstick you are on the threshold of a mind expanding opportunity Financial Times Chaos ensues when Discworld s deliciously hapless wizard Rincewind goes walking about in the Down Under in this wonderfully witty satire from legendary internationally bestselling author Sir Terry Pratchett There s big trouble at the Unseen University Ankh Morpork s prestigious and only institute of higher learning A professor is missing and the one person who can find him is not only the most bumbling magician the school ever produced he s currently stranded in Fourecks Discworld s last and unfinished continent The down under is hot so hot and it s dry so dry though it s rumored there was once this thing called The Wet but no one believes that Practically everything here that s not poisonous is venomous Discworld s most inept wizard and his companion Luggage are eager to get home but first Rincewind has to survive a pushy mystical kangaroo trickster named Scrappy and a mob of Fourecks hooligans determined to hang him All his problems would be solved if he could just make it rain for maybe the first time ever And if the time traveling professors from UU working on rescuing him can get to the right millennium The Discworld books can be read in any order but The Last Continent is the sixth book in the Wizards collection and the 22nd Discworld book The other books in the Wizards collection include The Color of Magic The Light Fantastic Sourcery Eric Interesting Times Unseen Academicals [The Wit and Wisdom of Discworld](#) Terry Pratchett, 2007-09-25 For more than two decades Terry Pratchett has been regaling readers with tales of Discworld a flat world balanced on the backs of four elephants which are standing on the back of a giant turtle flying through space It is a world populated by ineffectual wizards and sharp as tacks witches by tired policemen and devious dictators by reformed thieves and vampires who have sworn to drink no blood It is a world that is vastly different from our own except when it isn t Now in The Wit and Wisdom of Discworld various nuggets of Pratchett s witty commentary and sagacious observations have been compiled by Pratchett expert Stephen Briggs a man who they say knows even more about Discworld than Terry Pratchett Within these pages you ll find musings on Interior decorating It s a fact known throughout the universes that no matter how carefully the colors are chosen institutional decor ends up as either vomit green unmentionable brown nicotine yellow or surgical appliance pink By some little understood process of sympathetic resonance corridors painted in those

colors always smell slightly of boiled cabbage even if no cabbage is ever cooked in the vicinity Equal Rites Travel Any seasoned traveler soon learns to avoid anything wished on them as a regional speciality because all the term means is that the dish is so unpleasant the people living everywhere else will bite off their own legs rather than eat it But hosts still press it upon distant guests anyway Go on have the dog s head stuffed with macerated cabbage and pork noses it s a regional speciality The Last Continent Young men And then there was the young male walk At least women swung only their hips Young men swung everything from the shoulders down You have to try to occupy a lot of space It makes you look bigger like a tomcat fluffing his tail The boys tried to walk big in self defense against all those other big boys out there I m bad I m fierce I m cool I d like a pint of shandy and me mam wants me home by nine Monstrous Regiment Class Old money meant that it had been made so long ago that the black deeds that had originally filled the coffers were now historically irrelevant Funny that a brigand for a father was something you kept quiet about but a slave taking pirate for a great great great grandfather was something to boast of over the port Time turned the evil bastards into rogues and rogue was a word with a twinkle in its eye and nothing to be ashamed of Making Money and more Culled from all the Discworld novels The Wit and Wisdom of Discworld confirms Pratchett s place in the pantheon of great satirists and proves why the Chicago Tribune has praised his Discworld as entertaining and gloriously funny an accomplishment nothing short of magical **The Shepherd's Crown**

Terry Pratchett,2015-08-27 This ebook edition includes an exclusive commentary on the Witches of Discworld written by Jacqueline Simpson co author of The Folklore of Discworld A SHIVERING OF WORLDS Deep in the Chalk something is stirring The owls and the foxes can sense it and Tiffany Aching feels it in her boots An old enemy is gathering strength This is a time of endings and beginnings old friends and new a blurring of edges and a shifting of power Now Tiffany stands between the light and the dark the good and the bad As the fairy horde prepares for invasion Tiffany must summon all the witches to stand with her To protect the land Her land There will be a reckoning THE FINAL DISCWORLD NOVEL **The Truth** Terry Pratchett,2014-07-29 A war of words and a battle for the truth in Terry Pratchett s bestselling Discworld series The denizens of Ankh Morpork fancy they ve seen just about everything But then comes the Ankh Morpork Times struggling scribe William de Worde s upper crust newsletter turned Discworld s first paper of record An ethical journalist de Worde has a proclivity for investigating stories a nasty habit that soon creates powerful enemies eager to stop his presses And what better way than to start the Inquirer a titillating well what else would it be tabloid that conveniently interchanges what s real for what sells But de Worde s got an inside line on the hot story concerning Ankh Morpork s leading patrician Lord Vetinari The facts say Vetinari is guilty But as William de Worde learns facts don t always tell the whole story There s that pesky little thing called the truth *Interesting Times* Terry Pratchett,2014-01-28 May you live in interesting times is the worst thing one can wish on a citizen of Discworld especially on the distinctly unmagical sorcerer Rincewind who has had far too much perilous excitement in his life But when a request for a Great Wizzard arrives in Ankh Morpork via carrier albatross from the faraway

Counterweight Continent it's he who's sent as emissary Chaos threatens to follow the impending demise of the Agatean Empire's current ruler And for some incomprehensible reason someone believes Rincewind will have a mythic role in the war and wholesale bloodletting that will surely ensue Carnage is pretty much a given since Cohen the Barbarian and his extremely elderly Silver Horde are busily formulating their own plan for looting pillaging and er looking wistfully at girls However Rincewind firmly believes there are too many heroes already in the world yet only one Rincewind And he owes it to the world to keep that one alive for as long as possible **Thud!** Terry Pratchett, 2005-09-13 It's a game of Trolls and Dwarfs where the player must take both sides to win It's the noise a troll club makes when crushing in a dwarf skull or when a dwarfish axe cleaves a trollish cranium It's the unsettling sound of history about to repeat itself THUD It's the most extraordinary outrageous provocative insightful and keenly cutting flight of fancy yet from Discworld's incomparable supreme creator Terry Pratchett Commander Sam Vimes of the Ankh Morpork City Watch admits he may not be the sharpest knife in the cutlery drawer he might not even be a spoon But he's dogged and honest and he'll be damned if he lets anyone disturb his city's always tentative peace and that includes a rabble rousing dwarf from the sticks or deep beneath them who's been stirring up big trouble on the eve of the anniversary of one of Discworld's most infamous historical events Centuries earlier in a god's forsaken hellhole called Koom Valley a horde of trolls met a division of dwarfs in bloody combat Though nobody's quite sure why they fought or who actually won hundreds of years on each species still bears the cultural scars and one views the other with simmering animosity and distrust Lately an influential dwarf Grag Hamcrusher has been fomenting unrest among Ankh Morpork's more diminutive citizens with incendiary speeches And it doesn't help matters when the pint size provocateur is discovered beaten to death with a troll club lying conveniently nearby Vimes knows the well being of his smoldering city depends on his ability to solve the Hamcrusher homicide without delay Vimes's secondmost pressing responsibility in fact next to being home every evening at six sharp to read Where's My Cow to Young Sam Whatever it takes to unstick this very sticky situation Vimes will do it even tolerate having a vampire in the Watch But there's more than one corpse waiting for him in the eerie summoning darkness of the vast labyrinthine mine network the dwarfs have been excavating in secret beneath Ankh Morpork's streets A deadly puzzle is pulling Sam Vimes deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself **Mort** Terry Pratchett, 1989 The fourth Discworld novel Although the scythe isn't pre eminent among the weapons of war anyone who has been on the wrong end of say a peasants revolt will know that in skilled hands it is fearsome For Mort however it is about to become one of the tools of his trade From henceforth Death is no longer going to be the end merely the means to an end He has received an offer he can't refuse As Death's apprentice he'll have free board use of the company horse and being dead isn't compulsory It's the dream job until he discovers that it can be a killer on his love life **The Last Hero** Terry Pratchett, Paul Kidby, 2002-08-20 Cohen the Barbarian He's been a legend in his own lifetime He can remember the good old days of high adventure when being a

Hero meant one didn't have to worry about aching backs and lawyers and civilization. But these days he can't always remember just where he put his teeth. So now with his ancient yet still trusty sword and new walking stick in hand, Cohen gathers a group of his old very old friends to embark on one final quest. He's going to climb the highest mountain of Discworld and meet the gods. It's time the Last Hero in the world returns what the first hero stole. Trouble is that'll mean the end of the world if no one stops him in time. Small Gods Terry Pratchett, 2013-10-29. Lost in the chill depths of space between the galaxies, it sails on forever, a flat circular world carried on the back of a giant turtle. Discworld, a land where the unexpected can be expected. Where the strangest things happen to the nicest people. Like Brutha, a simple lad who only wants to tend his melon patch. Until one day he hears the voice of a god calling his name. A small god, to be sure. But bossy as Hell.

The Last Continent Terry Pratchett, 2014-04-29. There's big trouble at the Unseen University. Ankh-Morpork's lone institute of higher learning. A professor is missing, and the one person who can find him is not only the most inept magician the school ever produced, but currently stranded on the unfinished down under continent of Fourecks. As the UU faculty tries to bring him back, Rincewind is having troubles of his own, thanks to a pushy mystical kangaroo trickster named Scrappy and a mob of Fourecks hooligans who are out to hang him. All his problems would be solved if he could just make it rain for the first time ever. And if the time-traveling professors can get to the right millennium. Snuff Terry Pratchett, 2012-12-26. At long last, Lady Sybil has lured her husband Sam Vimes on a well-deserved holiday away from the crime and grime of Ankh-Morpork. But for the commander of the City Watch, a vacation in the country is anything but relaxing. The balls, the teas, the muck, not to mention all that fresh air and birdsong, are more than a bit taxing on a cynical city-born and bred copper. Yet a policeman will find a crime anywhere if he decides to look hard enough, and it's not long before a body is discovered and Sam, out of his jurisdiction, out of his element, and out of bacon sandwiches, thanks to his well-meaning wife, must rely on his instincts, guile, and street smarts to see justice done. As he sets off on the chase, though, he must remember to watch where he steps. This is the countryside, after all, and the streets most definitely are not paved with gold. *Turtle Recall* Terry

Pratchett, Stephen Briggs, 2015-03-31. For every Pratchett fan, there must have been a fully updated guidebook to Discworld. The Discworld, as everyone knows, is a flat world balanced on the backs of four elephants that in turn stand on the shell of the giant star turtle, the Great A'Tuin, as it slowly swims through space. It is also a global publishing phenomenon, with sales of about eighty-five million books worldwide. The publication of *Snuff* brought the Discworld canon to thirty-nine books, not including the various guides, maps, diaries, and other side projects. That's a lot of Discworld to keep track of, more than most people can manage with just one head, but fear not: help is at hand. If you're looking for the ultimate authority on probably the most heavily populated, certainly the most hilarious setting in fantasy literature, if you need a handy guide to Discworld locales from Ankh-Morpork to Zemphris, if you want help telling Achmed the Mad from Jack Zweiblumen, if your life depends on being able to distinguish the Agatean Empire from the Zoons, look no further than *Turtle Recall: The Discworld Companion*.

So Far now fully updated and completely up to Snuff **Thud!** Sir Terence David John Pratchett, Terry Pratchett, 2006-01-01
