White Slavery Color Isn T The Issue:

White Slavery Michael K. Jones,2012-05-08 During the American Civil War a slave named Arthur C Wellington was forced to work on a southern plantation One day he escaped yearning the taste for freedom and witnessed a country in turmoil as he came in constant contact with the armies of both sides

Habits of Whiteness Terrance MacMullan,2022-03-01 Habits of Whiteness A Pragmatist Reconstruction second edition offers a revised and updated look at the concept of whiteness in the United States Lauded when it was first published and even more relevant today Habits of Whiteness offers a distinctive way to talk about race and racism by focusing on racial habits and how to change them Author Terrance MacMullan examines how the concept of racial whiteness has undermined attempts to create a truly democratic society in the United States By getting to the core of the racism that lives on in unrecognized habits MacMullan argues that it is possible for white people to recognize the distance between their color blind ideals and their actual behavior Revitalizing the work of W E B Du Bois and John Dewey MacMullan demonstrates how it is possible to reconstruct racial habits and close fissures between people This second edition of Habits of Whiteness also contains a new introduction which looks closely at race relations during the Obama and Trump presidencies including such recent challenges as police brutality in 2020 white supremacy and the Capitol insurrection Its persuasive analysis of the impulses of whiteness ultimately reorganizes them into something more compatible with our country s increasingly multicultural heritage

A Matter of Complexion Tess Chakkalakal,2025-02-04 Amid today s movement against D E I and Black studies Tess Chakkalakal s A Matter of Complexion makes an urgent case for the importance of Black artistry during racially reactive and violent times Chakkalakal s thoughtfully written biography is a timely reminder of the

influence of artists like Charles W Chesnutt today when perhaps only literature has the power to sustain us The New York Times Book Review A biography of Charles Chesnutt one of the first American authors to write for both Black and white readers In A Matter of Complexion Tess Chakkalakal gives readers the first comprehensive biography of Charles W Chesnutt A complex and talented man Chesnutt was born in 1858 in Cleveland to parents who were considered mixed race He spent his early life in North Carolina after the Civil War Though light skinned Chesnutt remained a member of the black community throughout his life He studied among students at the State Colored Normal School who were formerly enslaved He became a teacher in rural North Carolina during Reconstruction His life in the South of those years the issue of race and how he himself identified as Black informed much of his later writing He went on to become the first Black writer whose stories appeared in The Atlantic Monthly and whose books were published by Houghton Mifflin Through his literary work as a writer critic and speaker Chesnutt transformed the publishing world by crossing racial barriers that divided black writers from white and seamlessly including both Black and white characters in his writing In A Matter of Complexion Chakkalakal pens the biography of a poor teacher raised in rural North Carolina during Reconstruction who became the first professional African American writer to break into the all white literary establishment and win admirers as diverse as William Dean Howells Booker T Washington Ida B Wells and Lorraine Hansberry

Staging Slavery Sarah J. Adams,Jenna M.

Gibbs,Wendy Sutherland,2023-03-16 This international analysis of theatrical case studies illustrates the ways that theater was an arena both of protest and simultaneously racist and imperialist exploitations of the colonized and enslaved body By bringing together performances and discussions of theater culture from various colonial powers and orbits ranging from Denmark and France to Great Britain and Brazil this book explores the ways that slavery and hierarchical notions of race and civilization manifested around the world At the same time against the backdrop of colonial violence the theater was a space that also facilitated reformist protest and served as evidence of the agency of Black people in revolt Staging Slavery considers the implications of both white penned productions of race and slavery performed by white actors in blackface makeup and Black counter theater performances and productions that resisted racist structures on and off the stage With unique geographical perspectives this volume is a useful resource for undergraduates graduates and researchers in the history of theater nationalism and imperialism race and slavery and literature *Friends' Review* Enoch Lewis,Samuel Rhoads,1864 *Beyond Racial Division* George A. Yancey,2022-03-15 We have struggled to effectively address racial tension in the United States While colorblindness ignores our history of injustice antiracism efforts have often alienated people who need to be involved In his model of collaborative conversation and mutual accountability sociologist George Yancey offers an alternative to racial alienation where all seek the common good for all to thrive *Fibre & Fabric* ,1887

Phineas Parkhurst Quimby 1802 1866 was a lifelong resident of Belfast ME and a clockmaker by trade From the late 1840s until the time of his transition he wrote down his own particular philosophical psychological and metaphysical views on life death health religion and the mind His early studies of hypnosis then called mesmerism led him later on to develop his unique method of healing for both mental and physical afflictions Proud of his New England heritage passionate in his love of liberty and equality for all outspoken in his admonitions against what he considered aristocracy and priestcraft empathetic toward the sick and suffering he recorded his experiences experiments and case studies of his own life journey s explorations into humanity and spirituality in order to leave behind for us what he found for himself to be universally applicable truths for the benefit of all mankind For this reason he wrote this book Hardcover Edition 700 pages Using Women Nancy Campbell,2002-12-24 From the 1950s girl junkie to the 1990s crack mom Using Women investigates how the cultural representations of women drug users have defined America s drug policies in this century In analyzing the public s continued fear horror and outrage wrought by the specter of women using drugs Nancy Campbell demonstrates the importance that public opinion and popular culture have played in regulating women s lives The book will chronicle the history of women and drug use provide a critical policy analysis of the government s drug policies and offer recommendations for the direction our current drug policies should take Using Women includes such chapters as Sex Drugs and Race in the Age of Dope Regulating Adolescents in the Postwar US Fifties Femininity and Regulating Maternal Instinct *The Saturday Evening Post* ,1904

The Colors of Jews Melanie Kaye/Kantrowitz,2007-06-14 Exposes and challenges the common assumptions about whom and what Jews are by presenting in their own voices Jews of color from the Iberian Peninsula Asia Africa and India Kaye Kantrowitz delves into the largely uncharted territory of Jews of color and argues that Jews are an increasingly multiracial people From publisher description **Feminist Theology and the Challenge of Difference** Margaret D.

Kamitsuka,2007-07-20 Drawing from poststructuralist postcolonial and queer theory this text explores the challenges of cultivating attentiveness to difference in women s experiences and reflects on the impact of race and sexuality on feminist theology **What Blood Won't Tell** Ariela J. Gross,2010-05-01 Is race something we know when we see it In 1857 Alexina Morrison a slave in Louisiana ran away from her master and surrendered herself to the parish jail for protection Blue eyed and blond Morrison successfully convinced white society that she was one of them When she sued for her freedom witnesses assured the jury that she was white and that they would have known if she had a drop of African blood Morrison s court trial and many others over the last 150 years involved high stakes freedom property and civil rights And they all turned on the question of racial identity Over the past two centuries individuals and groups among them Mexican Americans Indians Asian immigrants and Melungeons have fought to establish their whiteness in order to lay claim to full citizenship in local courtrooms administrative and legislative hearings and the U S Supreme Court Like Morrison s case these trials have often turned less on legal definitions of race as percentages of blood or ancestry than on the way people presented themselves to

society and demonstrated their moral and civic character Unearthing the legal history of racial identity Ariela Gross's book examines the paradoxical and often circular relationship of race and the perceived capacity for citizenship in American society This book reminds us that the imaginary connection between racial identity and fitness for citizenship remains potent today and continues to impede racial justice and equality

The Oxford Handbook of the African American Slave Narrative John Ernest, 2014-02-28 Given the rise of new interdisciplinary and methodological approaches to African American and Black Atlantic studies The Oxford Handbook of the African American Slave Narrative will offer a fresh wide ranging assessment of this major American literary genre The volume will begin with articles that consider the fundamental concerns of gender sexuality community and the Christian ethos of suffering and redemption that are central to any understanding of slave narratives The chapters that follow will interrogate the various agendas behind the production of both pre and post Emancipation narratives and take up the various interpretive problems they pose Strategic omissions and veiled gestures were often necessary in these life accounts as they revealed disturbing too painful truths far beyond what white audiences were prepared to hear While touching upon the familiar canonical autobiographies of Frederick Douglass and Harriet Jacobs the Handbook will pay more attention to the under studied narratives of Josiah Henson Sojourner Truth William Grimes Henry Box Brown and other often overlooked accounts In addition to the literary autobiographies of bondage the volume will anatomize the powerful WPA recordings of interviews with former slaves during the late 1930s With essays on the genre's imaginative afterlife its final essays will chart the emergence and development of neoslave narratives most notably in Styron's *The Confessions of Nat Turner* Toni Morrison's *Beloved* and Octavia Butler's provocative science fiction novel *Kindred* In short the Handbook will provide a long overdue assessment of the state of the genre and the vital scholarship that continues to grow around it work that is offering some of the most provocative analysis emerging out of the literary studies discipline as a whole

The Reform Advocate, 1910 *Men's Rights, Gender, and Social Media* Christa Hodapp, 2017-09-05 This work examines the contemporary men's rights movement MRM a mainly online movement that claims men are oppressed by gender norms women and feminism While some feminists and other progressives have dismissed the movement as simple misogyny this book argues that the MRM expresses a growing cultural trend in male anger and frustration and is an extreme manifestation of what has been previously referred to as a masculinity crisis In order to assess the implications of the MRM for gender politics this book explores the movement politically investigating the ways in which online communication and media outlets have impacted contemporary meanings of identity gender language and political engagement Furthermore a discussion of various issues promoted by the MRM such as parenting divorce employment and violence provide deeper insights into the issues surrounding masculinity and gender politics in current sociopolitical contexts
