White Wives Black Lovers

Jeffrey B. Leak

White Wives Black Lovers:

White Wives, Black Lovers Mel Henry, 1972 **Visible Man** Jeffrey B. Leak, 2014-04-15 Henry Dumas 1934 1968 was a writer who did not live to see most of his fiction and poetry in print A son of Sweet Home Arkansas and Harlem he devoted himself to the creation of a black literary cosmos one in which black literature and culture were windows into the human condition While he certainly should be understood in the context of the cultural and political movements of the 1960s Black Arts Black Power and Civil Rights his writing and ultimately his life were filled with ambiguities and contradictions Dumas was shot and killed in 1968 in Harlem months before his thirty fourth birthday by a white transit policeman under circumstances never fully explained After his death he became a kind of literary legend but one whose full story was unknown A devoted cadre of friends and later admirers from the 1970s to the present pushed for the publication of his work Toni Morrison championed him as an absolute genius Amiri Baraka a writer not quick to praise others claimed that Dumas produced actual art real man and stunning Eugene Redmond and Quincy Troupe heralded Dumas s poetry short stories and work as an editor of little magazines With **Visible Man** Jeffrey B Leak offers a full examination of both Dumas s life and his creative development Given unprecedented access to the Dumas archival materials and numerous interviews with family friends and writers who knew him in various contexts Leak opens the door to Dumas s rich and at times frustrating life giving us a layered portrait of an African American writer and his coming of age during one of the most volatile and transformative decades in American history Race, Gender, and Work Teresa L. Amott, Julie A. Matthaei, 1996 An outgrowth of Boston s Economic Literacy Project of Women for Economic Justice this new edition traces the economic and social histories of working women in America The history documents the paid and unpaid work done by American Indian Chicana European American African American and Puerto Rican women from each group s cultural beginnings pre colonialization to the most contemporary analysis of present day wage statistics The appendices supply US census sources occupational categories and labor force participation rates from 1900 to 1980 Includes statistical tables Annotation copyright by Book News Inc Portland OR **The Feminist Standpoint Theory Reader** Sandra G. Harding, 2004 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *Ms. Pulchritudinous* Bobby R. Wilson, 2017-04-18 Ms Pulchritudinous The Commanding Chief of the U S A by Bobby R Wilson 2017 Hardcover 202 pages **Natural . The Beautiful 'N' Word** Richard Jones, 2007-02 Natural The Beautiful N Word Breaking the Psychological Bondage of the American Standard of Beauty The American standard of beauty is an optical illusion that has mesmerized the world Artificial hair and makeup in the hands of a beautician is equivalent to a deck of cards a top hat and a magic wand in the hands of a magician The multibillion dollar beauty industry has successfully proven that the hand is quicker than the eye Hypnotically the public applauds the deception Most women even some little girls are addictive users of the hair and cosmetic charade yet few know its history Most women were convinced in childhood by subliminal messages in the media that their natural hair and facial

features were substandard Ultimately acquiring the acceptance and applause from a well trained public became a subconscious ritual No civilized race or nationality is exempt This book exposes secrets and facts about the American standard of beauty rarely revealed such as The untold truth about artificial hair Why natural beauty is heavily discouraged The cosmetic conspiracy A totally natural method of growing nappy hair What are Sisterlocks and who is its creator

Stained with Blood and Tears John A. Beadles,2019-08-28 Packed with villains victims and heroes *Stained with Blood and Tears* recounts the story of what has been called the equal opportunity lynchings of Will Froggie James who was black and Henry Salzner a white man in the rowdy river town of Cairo Illinois on November 11 1909 This book is the first to focus on one of the most infamous nights of lynching in the history of the United States when about one thousand men and women were transformed into a murderous mob The book also details a lesser known attempted lynching of a suspected purse snatcher by another mob about ninety days later That mob was beaten back by about a dozen mostly African American deputies and a white sheriff *Stained with Blood and Tears* ends with the saga of the killing of a Cairo policeman in the police station by the sheriff from a neighboring county over an incident that began in a Cairo brothel The book thoroughly examines a dark side of Cairo s past when it had a Jim Crow mind set and crooked policemen and was awash in liquor and teeming with prostitutes and gambling houses The violence of the era led the town s Catholic priest to lament Must this fair city of ours go ever in garments spattered with blood

Citizenship and Belonging James Hampshire,2005-04-15 James Hampshire explores the politics of immigration in postwar Britain and shows how ideas of race demography and belonging intertwined to shape immigration policy It is the first book to explain immigration in terms of the politics of demographic governance how states manage and regulate their populations and provides a much needed historical context to current debates In addition the book develops new perspectives on the ways in which racialized ideas influenced politics and policy making

The Fear of French Negroes Sara E. Johnson,2012-10-10 The Fear of French Negroes is an interdisciplinary study that explores how people of African descent responded to the collapse and reconsolidation of colonial life in the aftermath of the Haitian Revolution 1791 1845 Using visual culture popular music and dance periodical literature historical memoirs and state papers Sara E Johnson examines the migration of people ideas and practices across imperial boundaries Building on previous scholarship on black internationalism she traces expressions of both aesthetic and experiential transcolonial black politics across the Caribbean world including Hispaniola Louisiana and the Gulf South Jamaica and Cuba Johnson examines the lives and work of figures as diverse as armed black soldiers and privateers female performers and newspaper editors to argue for the existence of competing inter Americanisms as she uncovers the struggle for unity amidst the realities of class territorial and linguistic diversity These stories move beyond a consideration of the well documented anxiety insurgent blacks occasioned in slaveholding systems to refocus attention on the wide variety of strategic alliances they generated in their quests for freedom equality and profit

On Slavery's Border Diane Mutti Burke,2010-12-01 On Slavery s Border is a

bottom up examination of how slavery and slaveholding were influenced by both the geography and the scale of the slaveholding enterprise Missouri's strategic access to important waterways made it a key site at the periphery of the Atlantic world By the time of statehood in 1821 people were moving there in large numbers especially from the upper South hoping to replicate the slave society they'd left behind Diane Mutti Burke focuses on the Missouri counties located along the Mississippi and Missouri rivers to investigate small scale slavery at the level of the household and neighborhood She examines such topics as small slaveholders child rearing and fiscal strategies the economics of slavery relations between slaves and owners the challenges faced by slave families sociability among enslaved and free Missourians within rural neighborhoods and the disintegration of slavery during the Civil War Mutti Burke argues that economic and social factors gave Missouri slavery an especially intimate quality Owners directly oversaw their slaves and lived in close proximity with them sometimes in the same building White Missourians believed this made for a milder version of bondage Some slaves who expressed fear of being sold further south seemed to agree Mutti Burke reveals however that while small slaveholding created some advantages for slaves it also made them more vulnerable to abuse and interference in their personal lives In a region with easy access to the free states the perception that slavery was threatened spawned white anxiety which frequently led to violent reassertions of supremacy

Sex, Love, Race Martha Hodes, 1999 Since the colonial era North America has been defined and continually redefined by the intersections of sex violence and love across racial boundaries Motivated by conquest economics desire and romance such crossings have profoundly affected American society by disturbing dominant ideas about race and sexuality *Sex Love Race* provides a historical foundation for contemporary discussions of sex across racial lines which despite the numbers of interracial marriages and multi racial children remains a controversial issue today The first historical anthology to focus solely and widely on the subject *Sex Love Race* gathers new essays by both younger and well known scholars which probe why and how sex across racial boundaries has so threatened Americans of all colors and classes Traversing the whole of American history from liaisons among Indians Europeans and Africans to twentieth century social scientists fascination with sex between Asian Americans and whites the essays cover a range of regions and of racial ethnic and sexual identities in North America Back cover

The Color Complex Kathy Russell, Kathy Russell-Cole, Midge Wilson, Ronald E. Hall, 1993 Presents a powerful argument backed by historical fact and anecdotal evidence that color prejudice remains a devastating divide within black America

African Sexualities Sylvia Tamale, 2011-06-23 A groundbreaking book accessible but scholarly by African activists It uses research life stories and artistic expression including essays case studies poetry news clips songs fiction memoirs letters interviews short film scripts and photographs to examine dominant and deviant sexualities and investigate the intersections between sex power masculinities and femininities It also opens a space particularly for young people to think about African sexualities in different ways

Jet, 1976-02-26 The weekly source of African American political and entertainment news **All Hell**

Broke Loose Ann V. Collins, 2012-05-01 The United States has a troubling history of violence regarding race This book explores the emotionally charged conditions and factors that incited the eruption of race riots in America between the Progressive Era and World War II While racially motivated riot violence certainly existed in the United States both before and after the Progressive Era through World War II a thorough account of race riots during this particular time span has never been published All Hell Broke Loose fills a long neglected gap in the literature by addressing a dark and embarrassing time in our country's history one that warrants continued study in light of how race relations continue to play an enormous role in the social fabric of our nation Author Ann V Collins identifies and evaluates the existing conditions and contributing factors that sparked the race riots during the period spanning the Progressive Era to World War II throughout America Through the lens of specific riots Collins provides an overarching analysis of how cultural factors and economic change intersected with political influences to shape human actions on both individual and group levels **Women and War** Joyce P.

Kaufman, Kristen P. Williams, 2010 Women everywhere have long struggled for recognition as equal productive members of society worthy of taking part in the political process These struggles become even more pronounced in times of conflict and war when the symbolism and myths of womanhood are used to stoke nationalistic ideas about the survival of the state Yet for all the rhetoric that takes place in their name it's men who generally make decisions regarding war Women and War examines how women respond to situations of conflict Drawing on both traditional and feminist international relations theory it explores the roles that women play before during and after a conflict how they spur and respond to nationalist and social movements and how conceptions of gender are deeply intertwined with ideas about citizenship and the state As Kaufman and Williams show women do more than respond to conflict situations they are active agents in their own right shaping political and historical processes Their conclusions encourage us to rethink the prevalent assumptions of international relations history and feminist scholarship and theory **The Dynamics of Feminist Therapy** Doris Howard, 1986 Valuable

information on feminist issues is provided in this book which focuses on particular groups of women that are frequently overlooked in feminist literature A Guide to Dynamics of Feminist Therapy takes an exciting look at the power effectiveness and forcefulness of psychotherapy designed for women a therapy of change and enrichment The effectiveness of therapy and its liberating feeling is fully explored The authors focus on the feminist therapy process that deals with the equality assertiveness and empowerment of women with the elevation of consciousness about sex roles and sex typing Special emphasis is placed on matters important to women of color and other groups other than Caucasian The Western Journal

of Black Studies, 1977 *Imagining Caribbean womanhood* Rochelle Rowe, 2016-05-16 Over fifty years after Jamaican and Trinidadian independence *Imagining Caribbean womanhood* examines the links between beauty and politics in the Anglophone Caribbean providing a first cultural history of Caribbean beauty competitions spanning from Kingston to London It traces the origins and transformation of female beauty contests in the British Caribbean from 1929 to 1970 through the

development of cultural nationalism race conscious politics and decolonisation The beauty contest a seemingly marginal phenomenon is used to illuminate the persistence of racial supremacy the advance of consumer culture and the negotiation of race and nation through the idealised performance of cultured modern beauty Modern Caribbean femininity was intended to be politically functional but also commercially viable and subtly eroticised The lively discussion surrounding beauty competitions examined in this book reveals that femininity was used to shape ideas about Caribbean modernity citizenship and political and economic freedom This cultural history of Caribbean beauty competitions will be of value to scholarship on beauty Caribbean studies postcolonial studies gender studies race and racism studies and studies of the body

Educational Experience as Lived: Knowledge, History, Alterity William F. Pinar, 2015-02-11 In this volume Pinar enacts his theory of curriculum detailing the relations among knowledge history and alterity The introduction is Pinar's intellectual life history naming the contributions he has made to understanding educational experience Study is the center of educational experience as he demonstrates in the opening chapter The alterity of educational experience is evident in his conceptions of disciplinarity and internationalization interrelated projects of historicization dialogical encounter and recontextualization By reactivating the past not by instrumentalizing the present we can find the future explicated in his studies of the Eight Year Study the Tyler Rationale and the gendering and racialization of U S school reform The interrelation of race and gender is emphasized in the chapters on Ida B Wells and Jane Addams The technologization of education is critiqued through analysis of the achievements of George Grant and Pier Paolo Pasolini The educational project of subjective and social reconstruction is explored through study of Musil's essayism a genre that corrects the problems accompanying ethnography and created by identity politics
