Miller, 2023-12-05 On the third day he rose again In The Third Day Living the Resurrection Tom Berlin uses his gifts of storytelling and understanding the Scriptures to connect the reader to the experiences of several individuals around Jesus in his final days focusing on new life and redemption rather than loss Join Peter Mary Magdalene and Thomas as they feel the despair of losing Jesus and the surprise and joy that awaits them in the resurrection This study traces events around these characters along with Paul and the disciples at Emmaus and how the resurrection transforms their lives The book can be read alone or used for a six-week group study and church-wide Lenten program Components include a comprehensive Leader Guide and video teaching sessions featuring Tom with closed captioning *Made This Way* David J. Daynes, 2012-12-13 Come with me as I take you on an intimate and candid journey through my life You may be wondering what makes my life so special that warrants your reading this book Well my life has been eventful thus far and I think it's been quite amazing And I'm not just saying that because it's been my life As I begin with my adoption you might just shed a tear as you discover how I was chosen It truly was an incredible culmination of Heavenly influence You may find yourself laughing out loud as I share the best memories I had growing up and growing old Count how many times I somehow managed to escape a variety of harrowing experiences unscathed Not to spoil the plot but it's because God has always been right by my side Sit next to me when I was told I was

adopted See how I chose to react and you'll be astonished at how God introduced me to my biological mother Yes God made it possible to meet her And how it happened is nothing short of mind blowing Look through my eyes and witness the power of God I've felt and how I know beyond the shadow of a doubt that God is real You'll even get to find out what happened to my cat Queso But my life wasn't always so great Stroll with me as I re-live my nightmares and see how I dealt with everything life has thrown at me Sit ringside as I duke it out and eventually come to terms with my sexuality and my religion You may even learn a thing or two as I give my perspective on what the Bible says about being gay and decide for yourself if I really was Made This Way

[Inside Evangelicalism](#) Mark Ward Sr., 2024-12-15 In *Inside Evangelicalism* Mark Ward Sr combines ethnographic autoethnographic and sociolinguistic research to identify and analyze white evangelicals' distinctive culture and speech code from a perspective rooted deeply in both communication studies and the evangelical community The Bible emerges as evangelicalism's one dominant symbol that unifies all meaning and divides the world into a cosmic dualism between secular humanism and an all-encompassing biblical worldview The associated language of literalism drives evangelical culture cognition and identity creating a system of

ordered social relations enacted through patriarchy anti intellectualism authoritarianism and white Christian nationalism Ward s positionality as both an ethnographer of religious communication who has observed white evangelical culture for two decades and a self identified evangelical for four decades makes him uniquely qualified to cast an insider s critical yet balanced eye on conservative white Christian culture Inside Evangelicalism complements existing scholarship within anthropology and sociology where evangelicalism has been studied in conjunction with the rise of the Religious Right while contributing unique insights from religious communication studies The book is also a landmark in its own right a work that demonstrates the productive complementarity of ethnographic and autoethnographic research and the first study to describe evangelical culture through the ethnography of its communication **Through the Darkest Hour** James

Gilbert,2021-12-03 It seems at some point in everyone s life the thought runs through the mind asking What happened how did things change and how did I get here Jeff had to confront similar thoughts after he had received Christ as Lord and Savior He had genuinely been a good kid He started off in life wanting to like everyone His easygoing nature attracted his peers to befriend him In late October 1977 all that began to change He became self conscious shier and open to the concept of violence as bullies began to target him He believed and evidence in the book suggests that a demonic oppression began near Halloween when he was eight years old The Jeff that was nice seemed to invite fear that had dominated much of his thoughts since he was three years old This is a coming of age cautionary testimony of a good kid dealing with fears and insecurities in the worst self destructive ways imaginable and a young adult reaching a point of being ready to throw his and other lives away God however had the final say **Amy's Real Life** Jennie McNeal,2022-04-21 When Jennifried McNeal
