Indian automobile dealership landscape is undergoing seismic shifts and traditional dealerships are struggling to keep up. The key challenges include Digital Disruption. Younger buyers expect an integrated online and offline buying experience. Many dealerships are still stuck in old school sales tactics leading to a disconnect. Declining Footfalls. Sales Challenges. With research happening online, fewer people are visiting dealerships, reducing engagement and conversions. Brand Identity. Customer Experience Issues. Dealerships often lack a strong corporate identity, making it difficult to stand out in a highly competitive market. Shifting Preferences of Gen Z Millennials. This new generation prefers experiences over ownership, subscription models, and brand engagement through social media and influencer marketing rather than traditional advertising.
