thought she had life pretty well figured out after she finished law school took a job as a Navy lawyer and became a JAG lieutenant junior grade Now she s not so sure as she goes to her first duty station in the Philippines and learns the truth behind the recruiting pitch It s not just a job it s an adventure While keeping the world safe for democracy Rachel is finding out first hand that sailors and Marines have a well deserved reputation But while she s keeping the world safe who s going to keep her safe As one of the few single American women on a base with lots of sailors and Marines a very long way from home she s getting lots of attention And the new love of her life a Navy SEAL named BB is giving her a quick education in romance and military life There s lots of adventure as Rachael navigates here way through courtrooms barrooms and the world finds out about the Navy Navy SEALs San Miguel beer and gains perspective into affairs of the heart Rachael has lots of growing up to do and lots of new experiences are in store If only she can survive without becoming just another lawyer joke
